IMPORTANT

The Service Manuals are updated regularly, but may not contain the most recent product design modifications. The updated technical information is in any case available from your nearest authorised Hyster® dealer. The Service Manuals provide the guidelines for correct maintenance and are designed for use by appropriately trained technicians. Incorrect maintenance or non-compliance with the instructions contained in this manual could cause damage to property or injury and even death to people.

We therefore recommend that you read this manual carefully and keep it in a good condition so it is always decipherable and complete.

This manual does not replace the use and maintenance manual, it is a supplement to it.
