I M A Writer Not A Fighter:

The Nocturnal Trumpet Michael Pezzano, 2016-05-05 The Nocturnal Trumpet is comprised of fourteen short stories in the horror fantasy genre In *Spirits of Evil* Past you have the wax representations of four notorious historical figures who assume human form after being entered by their original spirits The emotionally disturbed protagonist in *Flames* commits multiple acts of arson at the behest of a netherworld fire demon A commercially successful pulp writer becomes the target of his most popular literary character in *The Vengeance of Silverhawk* *The Dark Heart of Fear* is an unconventional haunted house story in that the house is not haunted by ghosts but by its own sinister will and its need for human fear Written in *Stone* can almost be described as a dark fairy tale as a lonely twelve year old girl becomes psychically linked with the gargoyles that sit at the top of her church *Blood Oath* is populated by two rival nocturnal motorcycle gangs who are far more than they seem These stories and the eight others come from a shadowy world where anything can happen and usually does They should make the reader the least bit uneasy they should make them stop wonder and look back over their shoulder for it is the imagined terrors that are the most terrible and the hardest to dispel

Images of Westerners in Chinese and Japanese Literature, 2021-12-28 The present volume is the product of a joint effort made by scholars from across China including Hong Kong Japan and Europe The book gathers sixteen papers devoted to literary and cultural criticism from a comparative point of view A perspective prominent in this volume is imagology an approach first developed by Daniel Henry Pageaux and which focuses on specific images in literary

Al-Nowaihi,2023-11-27 This study is an attempt to identify and describe the distinctive features of the poetic style of the acclaimed medieval Andalusian poet Ibn Khafajah who has been credited with starting a new school of poetry in Andalus and elsewhere It offers a close reading of his poetry concentrating on the three basic elements of style imagery rhetorical devices and structural patterns It shows how Ibn Khafajah creatively uses the poetic tradition available to him to form new images and scenes create multi layered poems and bestow different levels of unity and coherence on his poems The study demonstrates some of the ways by which the various elements of style are combined and interrelated to produce original meaningful and highly moving poems in the Khafajian style **In the Game** A. hands of the folk educated artists and researchers felt a responsibility intervene to reform folk art and create new popular art forms that would better serve the needs of the modern nation In the early 1930s folk art began to figure in the debates on social role of art and artists that were waged in the pages of the Chinese press the first major exhibition of folk art was held in Hangzhou and the new print movement claimed the print as a popular artistic medium while for the most part declaring its distance from contemporary folk printmaking practices During the war against Japan from 1937 to 1945 educated artists deployed imagery and styles drawn from folk art in morale boosting propaganda images but worried that this work fell short of true artistic accomplishment and pandering to outmoded tastes The questions raised in interaction with folk art during this pivotal period questions about heritage about the social position of art and the exercise of cultural authority continue to resonate into the present day
