Poetry by Simon Roy Lee "Simon" Jarmon, 2014-03-03 This is a collection of poems, prose and other creative pieces. Roy has always loved words. He has always been fascinated with the English language and how each word can be utilized in various ways depending on its context. Being somewhat of a loner at times, he found solace in turning to the pen and putting his thoughts and feelings on paper. Here is a small slice of some of his collected slices of life's excursions. His hope is that these slices will create conversations, thus leading to understanding and thereby an appreciation of the other person's point of view.

Unstable Timothy Grier, 2006-04 Have you come to grips with that which plaques you on a continuous basis? Are you still clueless to this thing called life? Do you end up on a dead end street after you have read the instructions warning you not to go? Have your whys, your wheres, hows, whens and whats been answered and you are still baffled to the conclusion of the matter? Well, if your answer is yes to any of these questions, you may just be tampering with unstableness. This book was compiled from a life that was stuck in a place called unstable. I wrote this book with you in mind, realizing the biggest fight

you are will or have been in is the one against your mind If you would be totally honest trying figure it out whatever it may be has cause your mind to warp causing you to become psychologically exhausted James1 8 declares a double minded is unstable in all his ways This book begins to rattle the cage of men who have been damage by the opinions of men systems of doubt and disbelief dangling over their manhood Broken battered and bewildered you can t move out that place of yesterday the effects have paralyzed you today and tomorrow doesn t even exist The whole purpose of this book is to first help all not only men to understand that solving your unstableness do not resolve over indulgence of substances giving temporary satisfaction It s only coming through the power of the living God who gives us all things pertaining to life and godliness Please understand unstableness is a disease caused by the interjection of ignorance Embrace by acceptance of suggestions You may have made a mistake but you are not one If you dare to read this book prepare for a stable mind to begin *Return to Jasmine* Khalil althahhan,2025-04-25 This is a novel set during the Syrian revolution from its very beginning with all its details inspired by true events This novel is a part of me and my memory it is almost who I am and it is the most important work I have written so far Return to Jasmine is a painful and profound journey through the wreckage of war where its shattered heroes in moments of weakness and sorrow try to reclaim what remains of their lost dreams As jasmine petals scatter in the wind the question resurfaces Can hope bloom again in a land drowned in blood This novel invites you to immerse yourself in a chilling tale where every letter tells the story of a people searching for themselves in a sea of grief and devastation Return to Jasmine where the flower withers and only memory stands resilient carrying within it the promise of revolution the bitterness of betrayal and the hope of return This novel will take you on a journey through ravaged lands where the only sound is the moaning of memories lingering among the ruins There where dust obscures the past you will return step by step passing through places that once witnessed moments of life bidding them farewell slowly Yet it is silence that will remain Return to Jasmine where your dreams fall like autumn leaves where you walk roads heavy with pain but beyond them there is no more sorrow Only a deep silence that tells the story of a people **Dicks' standard plays** John Thomas Dicks,1883 Congressional Record United States.
