Cooper, Go on a date she said You'll love it she said She was wrong It had been one year two months and seventeen days since my last date So my best friend Abby decided to sign me up for a dating app She guaranteed that she could get me the best date of my life within one week I didn't really want to do it but I figured what did I have to lose Turns out that I had 1 500 2 My dignity 3 My patience and 4 My innocence to lose OK so I didn't really have my innocence to lose but believe you me Jack Morrison was my worst date ever And I've been on a lot of bad dates Trust me when I say that that was the longest ten hours and 33 minutes of my life I never wanted to see or speak to him again But it

turns out you don't always get what you want in life because Jack showed up the very next day at a family gathering I was attending as a fake plus one. As you can imagine that was a real pickle. Jack wanted to know why I went on a date with him when I'm dating someone else. But he can't know the whole complicated truth of the matter. I'm in a fake relationship and now I'm being blackmailed by the worst date ever. That's not even the worst part. I decided to log onto this new app called Confession Board to seek some advice but it turns out Jack Morrison is absolutely everywhere and he's not going to leave me alone until I submit to his demands. *Simone'* Carlotta Maria Shinn Russell, 2016-12-02 This is a journey through love, romance, passion, and heartache. The journey of life which started at fourteen years of age would take Simone and her family into a maze of pain, heartache, and separation because of choices in love and decisions made while she was young and inexperienced, even to the decisions made after her marriage to protect her family. She found herself in an endless vortex, a downward spiral laced with fear because of the fervent love she had for her family. She felt trapped like a bird in a cage. These decisions were almost detrimental to her daughter and her husband, whom she loved with all her soul. Instead of protecting those she loved, her decisions had painful consequences rather than healing remedies. The influencing actions and devastating circumstances all surrounded and involved one woman who wore a veil of mystery even to her Father.

Borrowed & Blue Emily Giffin, 2015-06-30 A beautifully repackaged bind up of two of Emily Giffin's beloved New York Times bestselling novels. *Something Borrowed*: A novel for every woman who has ever had a complicated love-hate friendship. A hard-working attorney at a large Manhattan firm and a diligent maid of honor to her best friend Darcy, Rachel White has always played by all the rules, quietly accepting the sidekick role to Darcy in their lopsided friendship. But that changes the night that Rachel confesses her feelings to Darcy's fiancé and is both horrified and thrilled to discover that he feels the same way. As the wedding date draws near, events spiral out of control and Rachel knows she must make a choice between her heart and conscience. In so doing, she discovers that the lines between right and wrong can be blurry; endings aren't always neat, and sometimes you have to risk everything to be true to yourself. *Something Blue*: A story of betrayal, redemption, and forgiveness. Darcy Rhone has always been able to rely on a few things: Her beauty and charm. Her fiancé, Dex. Her best friend, Rachel. She never needed anything else. Or so she thinks until Dex calls off their dream wedding and she uncovers the ultimate betrayal. Blaming everyone but herself, Darcy flees to London and attempts to re-create her glamorous life on a new continent. But to her dismay, she discovers that her tried-and-true tricks no longer apply and that her luck has finally expired. It is only then that she can begin her journey toward redemption, forgiveness, and true love. **The Organizer** Thomas J.
