Mus. Hons. Sciberras,2012-03-01 *Death the Door Music a Key* is an invitation to join a journey that is not always easy but might just alter the way you think about how you live your life The journey begins in the fragile moments just before life ends as we sit beside the deathbed and seek to understand this sacred process through the eyes of a harpist This book of stories tells of ordinary people in the midst of extraordinary moments people experiencing grief loss and the anticipation of death For the most part however it is the story of the author who followed a calling to sit with the dying and share her music It paints a picture of the work that I do as a harpist who plays intuitive music at the bedside the restorative qualities of the harp and the gift that it brings many It is my hope that through telling these stories not only will the lives of those who I have played for be honoured but also their death It is my hope that their story will serve as a reminder to others that this experience does not have to be frightening though it requires acceptance and acceptance requires courage This acceptance of death can be rarely found and when it is it is unmistakable for their peace seems to permeate everything and everyone around them **The Man Born to Be King** Dorothy L. Sayers,2011-07-20 In twelve plays for broadcasting at monthly intervals Dorothy L Sayers drew on material from all four Gospels keeping the theme of Jesus of Nazareth s divine kingship in focus throughout while locating him firmly in the social and political context of his time The first half cover episodes that precede the final journey to

Jerusalem and the latter half primarily deal with Passion Week themes It is the simplicity and profundity of Jesus words in the Fourth Gospel especially that Sayers drew on in her own writing for the voice of Jesus on air The plays gave her an opportunity to explore the many gospel characters surrounding Jesus not least that of Judas And beyond the utter sorrow of Jesus death the King comes into his own in the garden of resurrection Weird Music That Goes on Forever Bob Suren,2024-03-26 Once you ve collected every 7 from your favorite label broken your back in the mosh pit and become so well versed in the interpersonal dynamics of every hardcore band that there s nothing more to learn what s a punk to do Try jazz recommends Bob Suren No really Suren who wrote Crate Digger about his life and work in punk turns his obsessive gaze onto another form of rebellious improvisational outsider music but this time with more sax What does Dixieland have in common with D R I Did Charles Mingus write the first punk song And who was the Butthole Surfer of jazz Suren answers these questions and many more Reading his irreverent guide to jazz filled with punk references and colorful language is more fun than getting arrested for vandalism Learn about the surprising history and scandalous etymology of jazz explore its connections to punk and take in biographical sketches of over 25 notable artists with plenty of recommendations thrown in for your listening pleasure **Don Juan and the Power of Medicine Dreaming** Marilyn Tunneshende,2002-04-01 A journey of healing and transformation through Toltec mysticism shamanic dreaming and the teachings of the Mayan prophecies The author studied with don Juan Matus and the Nagual sorcerers who taught Carlos Castaneda Includes numerous transcripts of Toltec Dreamwork sessions providing examples of how dreamwork can transform personal life challenges Marilyn Tunneshende learned the secrets of Dream Power energetic healing and sorcery from don Juan Matus the Toltec shaman who mentored Carlos Castaneda This book is her personal story of over 30 years of interaction with the mystical guides dreams and prophecies of the Maya Through her journey we learn of the power of transmutational energies and how they might be applied to heal and transform our world Like so many in the early 1970s Marilyn Tunneshende had plans to travel the world beatnik style beginning with Mexico Traumatized by the sudden death of her fiance after a series of premonitions Marilyn found her adventurous trip transformed into a path of spiritual awakening which took her into an intense apprenticeship with Toltec shaman don Juan Matus After becoming a fully initiated Toltec sorceress and Nagual Dreaming Woman she experienced a second trauma that threw her from the path of mystical study back into the everyday world of the West For years she pursued her career as a teacher and linguist all but dismissing her former mystical experiences as madness When a series of dreams begin to pervade her consciousness and she received a heart breaking diagnosis that she had AIDS Marilyn returned to the world of Mayan prophecy and nagualist training in order to unleash the powers of transmutative energies in healing her own body and actualizing transcendent liberation
