I Drink Therefore I Am:

I Drink Therefore I Am Roger Scruton, 2009-01-01 Here Scruton explains the connection between good wine and serious thought with a heady mix of humour and philosophy

I Drink Therefore I Am Roger Scruton, 2013-01-03 We are familiar with the medical opinion that a daily glass of wine is good for the health and also the rival opinion that any more than a glass or two will set us on the road to ruin Whether or not good for the body Scruton argues wine drunk in the right frame of mind is definitely good for the soul And there is no better accompaniment to wine than philosophy By thinking with wine you can learn not only to drink in thoughts but to think in draughts This good humoured book offers an antidote to the pretentious clap trap that is written about wine today and a profound apology for the drink on which civilisation has been founded In vino veritas
