The Ecology of Homicide Eric C. Schneider,2020-11-13 Like so many big cities in the United States Philadelphia has suffered from a strikingly high murder rate over the past fifty years Such tragic loss of life as Eric C Schneider demonstrates does not occur randomly throughout the city rather murders have been racialized and spatialized concentrated in the low income African American populations living within particular neighborhoods In *The Ecology of Homicide* Schneider tracks the history of murder in Philadelphia during a critical period from World War II until the early 1980s focusing on the years leading up to and immediately following the 1966 Miranda Supreme Court decision and the shift to easier gun access and the resulting spike in violence that followed Examining the transcripts of nearly two hundred murder trials *The Ecology of Homicide* presents the voices of victims and perpetrators of crime as well as the enforcers of the law using to an unprecedented degree the words of the people who were actually involved In Schneider s hands their perspectives produce an intimate record of what was happening on the streets of Philadelphia in the decades from 1940 until 1980 describing how race factored into everyday life how corrosive crime was to the larger community how the law intersected with every action of everyone involved and most critically how individuals saw themselves and others Schneider traces the ways in which low income African American neighborhoods became ever more dangerous for those who lived there as the combined effects of concentrated poverty economic disinvestment and misguided policy accumulated to sustain and deepen what he calls an ecology of violence bound in place over time Covering topics including gender urban redevelopment community involvement children and gangs as well as the impact of violence perpetrated by and against police *The Ecology of Homicide* is a powerful link between urban history and the contemporary city **Crime Gun Trace Reports** ,2000 National Police Training Commission Act of 1999 United States.
