authentic brand of independent spirituality It Began with a Stubby Darrell H. Poke, 2014-01-09 Darrell Poke was a self-described dyed in the wool atheist raised in a working class family with a limited educational background working the rough and tumble mines of Australia. Although he might seem like an unlikely source for spiritual development in this guide, he brings you inside his own unexpected journey to true spiritual awakening as only an Aussie can. The very concept of God was not a part of his upbringing. His teachers and peers considered him to be a daydreamer who wouldn't amount to much, and Darrell is the first to admit he used to prove them right until something happened that opened his eyes and heart to a broader view of the world. He stumbled his way into spirituality and started to explore the idea that God or a higher self might actually exist. What he's come to realize is that God does exist and we are it. We are all a piece of God. He, She, or It is within each of us and is there to give us everything we ever need regardless of our beliefs. For Darrell, life is an amazing and surprisingly simple journey. In *It Began with a Stubby*, he takes all that he has studied and presents it in clear, everyday language so that others may easily share his epiphany. Open your eyes, open your heart, and a new reality awaits. *How High Can You Soar* Jennifer Adams, 2019-03-26 In *How High Can You Soar*, award-winning designer and CEO Jennifer Adams provides eight practical steps that will help readers harness their own power to manifest their biggest dreams. *How High Can You Soar* also includes stories of highly successful individuals who have achieved their goals by using these same practical tips. Learning every step of the way, Jennifer followed the advice of mentors and acted on her own intuition to manifest her goals. Through purposeful steps, bold action, and an unleashed imagination, she built her new life from the ground up. Now she is the CEO of her own multimillion-dollar lifestyle brand and ready to share the steps she took with readers who long to have the same kind of success. Jennifer shares how she employed Eight Powers to achieve her goals. Not only does she share her own success using these powers, but she shares the success stories of exceptional people to show just how effective this way of being and acting can bring results. How to Change Your Life Stuart Young, 2012-03-23 We all want to change our lives for the better in some way, shape, or form, but we included. If, however, you're prone to saying things like "My life would be better if my boss, this or that," or "My life would be better if my mother, this or that," or "My life would be better if my friends, this or that," or "My life would be better if the government, this or that," then let me tell you something: nothing is going to change in your life for the better whilst you continue to blame others for your circumstances. I'm not saying that they didn't have a hand in your circumstances. I'm saying only YOU can decide to change your circumstances for the better. STOP complaining and start being different, so

you can do things differently Reach Your Dreams Alice Chan, 2011-06-16 Do you have a picture of your dream but feel uncertain or even afraid of what it'd take to make it real Do you feel an inner nudge to do something but have no clear idea of what it is let alone what to do Are you frustrated with seemingly just marking time in your life but don't know what you really want or what changes to make Are you tired of wondering why things seem to just happen to you and wishing you had more control over your own destiny Are you simply looking for a concise roadmap to raise your consciousness in how you live If your answer to any of these questions is yes this book has your answers After feeling lost for many years even questioning the point of being alive author Alice Chan can deeply relate to your discontent and pain She transformed her life by shifting her perspective from victimhood to self empowerment Based on her own success she has developed a roadmap to step you through how to do the same for yourself By following these five steps you too can create the life of your dreams Release limiting beliefs and hidden barriers blocking your path to your dreams Envision living the life you want and having your dreams fulfilled Act on inner guidance to fulfill your dreams one smart step at a time Celebrate the good in your life even the little things and attract more reasons to celebrate Honor the current you and where you are in life as you create from the here and now Are you ready to empower yourself to REACH your dreams
