A Little Too Broken Brad Vance, 2016-06-03 When Jamie walks through the door of the Humane Society it's not just an animal who needs rescuing that day Tom is there to adopt another service dog into the Canine Comrade Corps but it's Jamie his heart goes out to But each man turns away walks away from the potential pain the rejection the knowledge that it'll all end in tears Jamie knows damn well that the HIV he contracted from an unfaithful lover has put him out of the dating game forever in the small town of Santa Vera Tom lost his legs in Afghanistan and got new ones yeah but with a side order of PTSD to go he thought grimly The real problem is that only now does he realize he's gay now that the revelation would be just one too many things to put his family through after everything else they've had to deal with So both men grin and bear the loneliness put their feelings on a shelf even as Jamie's volunteer stint at CCC turns into friendship and despite their resolve something more Tom saw Jamie's smile He's totally relaxed about this You're getting there This is going to work out this is going to be a friendship I need this To be with normals again people who aren't Well the fact was that Jamie wasn't normal was he The fact that he had been through what he'd been through in Tom's mind put him on Tom's side of the world on the island of broken toys Someone who could understand who wasn't one of them the ones living a life oblivious to suffering illness pain It's too bad Jamie thought calmly If only I didn't have the bug I could do this I could well at least fantasize realistically about this becoming something People liked it when you were just a little broken he knew from experience It lets them think that you're not so unattainable gives them the confidence to make a move Then they can fix you be the one to unbreak you so they get to have it all get the perfect lover in the end by coming to it through the side door Yeah he smirked But they don't want you when you're just a little too broken just a little bit beyond where you can be repaired back into perfection their reward for accepting those lesser flaws for a while Some things stay broken and nobody wants that **The Worst Best Luck** Brad Vance, 2016-06-05 Peter Rabe's luck is about to change Taking a co-worker's car into the shop nets him a desperately needed 100 tip and the attentions of Matt Kensington master mechanic Peter can't believe that someone as hot as Matt could be interested in the young man his tormentors used to call Peter Rabbit But incredibly enough he is And when the Quadrillions lottery jackpot is up to 700 000 000 wouldn't it be crazy of Peter not to buy a ticket on his lucky day Matt doesn't think much of money having grown up on New York's Upper East Side in the lap of luxury He'd walked away from the professional drudgery his Harvard degree had qualified him for to become a mechanic to touch things that were real to fix things that were broken And a hot shy guy like Peter is another machine Matt wants to believe he can fix But when Peter finds out he's won the lottery it almost feels like his luck has run out Especially when Cody Burrell his emotionally abusive ex-boyfriend mysteriously re-enters his life just before he cashes the ticket and reveals his good fortune to the world Peter must wrestle with the pressures of wealth on someone who's grown up poor the pressure of fame that comes with so much instant fortune and most of all with his own demons the demons that Cody knows all too well how to manipulate Strength In
