Savor the Flavor & Get Twice the Luv Jamala M. Johnson, 2015-01-23 Pink Passion A ruling passion motivates pushes stretches encourages inspires and in some instances a ruling passion might even challenge you to reach your full potential Make no mistake about it a ruling passion is much different from a goal In general a goal is a set deadline or time frame establish by the goal setter to complete and accomplish a particular task Normally goal setters classify goals into categories short term and long term For a tantamount of consumers and shoppers once a goal is set it stays at the center of attention until the goal is accomplished Totally different from a goal__putatively a passion so to speak is something that you love to do more than anything else that you do daily Straight forwardly speaking when you have a passion it consumes your every thought it pretty much paints the picture of how you view see and live life A strong feeling longing or desire each of us as consumers and shoppers have different passions__ostensibly even with the various passions available as choices some consumers and shoppers have not found their ruling passion understandably it could take years before a consumer or shopper stumbles upon their ruling passion At any rate that you find your passion a passion or a ruling passion could be just about anything that you love and enjoy to do at home away from the job on vacation and during holidays From shopping to blogging to cooking to singing to acting to dancing it s what you love to do the most it s what motivates pushes stretches encourages inspires and challenges you it s your ruling passion In previous years I have had a passion to try and do many things While in college I rediscovered my passion for the English language and writing Within the past seven years I developed a passion for shopping and blogging 2009 I developed a passion for pink Along with my passion for pink I believe my ruling passion is to be an award winning editor and writer Veritably all passions begin with you_if you have found your ruling passion stick with it share it and create a niche for your passion And for the percentage of you consumers and shoppers who you havent found your ruling passion start_right now and start doing what you love and enjoy it s not too late

Stalin Edvard Radzinsky, 2011-05-18 From the author of The Last Tsar the first full scale life of Stalin to have what no previous biography has fully obtained the facts Granted privileged access to Russia s secret archives Edvard Radzinsky paints a picture of the Soviet strongman as more calculating ruthless and blood crazed than has ever been described or imagined Stalin was a man for whom power was all terror a useful weapon and deceit a constant companion As Radzinsky narrates the high drama of Stalin s epic quest for domination first within the Communist Party then over the Soviet Union and the world he uncovers the startling truth about this most enigmatic of historical figures Only now in the post Soviet era can what was suppressed be told Stalin s long denied involvement with terrorism as a young revolutionary the crucial importance of his misunderstood behind the scenes role during the October Revolution his often hostile relationship with Lenin the details of his organization of terror culminating in the infamous show trials of the 1930s his secret dealings with Hitler and how they backfired and the horrifying plans he was making before his death to send the Soviet Union s Jews to concentration camps

tantamount to a potential second Holocaust Radzinsky also takes an intimate look at Stalin's private life marked by his turbulent relationship with his wife Nadezhda and recreates the circumstances that led to her suicide As he did in *The Last Tsar* Radzinsky thrillingly brings the past to life The Kremlin intrigues the ceaseless round of double dealing and backstabbing the private worlds of the Soviet Empire's ruling class all become in Radzinsky's hands as gripping and powerful as the great Russian sagas And the riddle of that most cold blooded of leaders a man for whom nothing was sacred in his pursuit of absolute might and perhaps the greatest mass murderer in Western history is solved
