### SAFETY INSTRUCTIONS FOR USE, CARE AND CLEANING, AND DISPOSAL

**⚠WARNING:** To reduce the risk of fire, electric shock, or injury to persons when using this appliance, follow basic precautions, including the following:

- Unplug the washer before cleaning to avoid the risk of electric shock.
- Never use harsh chemicals, abrasive cleaners, or solvents to clean the washer. They can damage the finish.
- Do not put oily or greasy rags or clothing on top of the washer. These substances give off vapors that could ignite the lintscreen.
- Do not wash items that are soaked with cigarette or smoking oil. These items can collect water after pumping. Water can seep into the lintscreen and cause fire or burn.
- Disconnect this appliance from the power supply before attempting any user maintenance. Turning the controls to the OFF position does not disconnect this appliance from the power supply. Failure to follow this warning can cause serious injury, fire, electrical shock or death.
- Do not combine laundry products for use in a load unless specified on the label.
- Do not mix chlorine bleach with ammonia or acids – such as vinegar. Follow package directions when using laundry products. Incorrect usage can produce poisonous gas resulting in serious injury or death.
- Do not reach into the washer while parts are moving. Before loading, unloading or adding items, push in the cycle selector knob and allow the drum to coast to a complete stop before reaching inside. Failure to follow this warning can cause serious injury, fire, electrical shock or death.
- Do not allow children to play on or in the washer. Close supervision of children is necessary when the washer is used near children. As children grow, teach them the proper, safe use of all appliances. Failure to comply with these warnings could result in serious personal injuries.
- Remove the carbon, plastic bag and other packing materials after the washer is unpacked. Children might also learn to play. Children cannot swallow rags, handkerchiefs, or plastic materials and become airway obstructions. Rags or cloths left alone in the washer could result in serious personal injury or death.
- Keep laundry products out of children's reach. To prevent personal injury, observe all warnings on product labels. Failure to comply with these warnings could result in serious personal injuries.
- Remove the door to the washing compartment to avoid the danger of children or small animals getting trapped inside before your washer is removed from service or discarded. Failure to do so can result in serious personal injury or death.
