Koerner,2007-05-14 An invitation for all nurses to re engage with the passion and commitment that originally inspired them
represents an act of passion for the profession a window to a personal journey and an invitation to view the nursing
profession s contribution to healing in a Jungian context The work s value comes from its integration of scientific creative and
spiritual philosophies as a core context for the complex nurse patient interaction involved in the promotion of a healing
environment Recommended Choice Nursing is at a crossroads facing shortages of unparalleled proportion at a time when
society is experiencing health care challenges of great magnitude At the center of professional nursing lies the authentic
presence of the nurse the intention and commitment that brings nurses to the profession in the first place When there is
congruence between who nurses are and what they do nurses bring their souls to work This balance is experienced as a
healing presence that encourages the patient s self healing capacity Throughout this book JoEllen Koerner explores ways
scientific creative and spiritual of understanding the power and impact of this healing presence on both the caregiver and
those receiving care Wisdom from the field is presented in a series of reflections from multiple areas of practice For all
