The Changing Face of Korean Management Chris Rowley,Yongsun Paik,2009-05-07 South Korea has been recognised as a pivotal economic force within its region This book explores the key areas of management exploring the opportunities and challenges that managers face Incorporating expert contributions this book provides a complete overview of the current state of management in South Korea **The European Union, Emerging Global Business and Human Rights** Aleydis

Nissen,2022-11-17 Emerging and developing states are home to powerful corporations capable of deploying economic activities on a global scale through the rapid pace of technological change and globalisation But such corporations have to date been largely overlooked in the field of business and human rights Treatment of such corporations has typically been in the context of supply chain studies as subsidiaries of corporations from economically developed Western states This book takes a radically different approach It aims to investigate the conditions under which the European Union and its Member States regulate and remedy human rights violations by corporations from emerging and developing states Stemming from the hypothesis that the EU intends to play a central role Aleydis Nissen explores how the EU and its Member States attempt to

ensure that EU based businesses are not undercut by emerging competition drawing on global examples to illustrate this developing phenomenon **Love, Ladies & Siyappaa...** Jiganshu Sharma,2021-01-26 In a country of 1.38 billion people with a literacy rate of about 77.7% we still have heinous social crimes venged upon Indian women like Child Marriage Dowry Rape Acid Attacks Female infanticide Honour killing accusation and execution of witchcraft forced prostitution and what not Our Constitution framed many laws to abide by the rules and it mentions many rights for their survival Many NGOs are working for women safety and Pradhan Mantri Yojnas are also functioning to support the funding for such noble initiatives But what about the issues women have to face on a daily basis They have to choose family over career They have to face male chauvinism at the office and betrayals from their husbands at home They have to suffer bullying if they say No to their men and are tagged as whore if they ask for more I penned down six short stories where I deliberately picked six women protagonists who are from different demographics of India They have problems and they drive out quirky and out of the box solutions to live happily ever after This collection of stories humorously explores the dark and ironic side of some undebated social issues that are faced by women in India I may have wrapped them in fiction and served them with comedy and mushy love affairs to arouse the reader's curiosity but the intention is to throw light on these issues as they are making our society frail enough to collapse It's not some war against men it's just a step to make women's life easier at home and at workplaces through entertainment **Current Consumer Cases** ,2010 *The Blue Book of Canadian Business* ,2010 Dataquest ,2006
