Towpath Lori De Mori,Laura Jackson,2020 A lot has changed since Towpath first rolled up its shutters 10 years ago on the Regent s Canal in Hackney and everything but the toasted cheese sandwich was cooked from home across the bridge And a lot hasn t It is still as much a social experiment as a unique and beloved eatery What happens when seasonality means you close every

year in November because England's cold dark winters are simply inhospitable to hospitality from a little perch beside a shallow manmade waterway that snakes through East London. What if you don't offer takeaway coffees in the hopes that people will decide to stay awhile and watch the coots skittering across the water? If you don't have a phone or a website because you'd rather people just show up like hungry kids at a playground, Towpath is a collection of recipes, stories, and photographs capturing the vibrant cafe's food community and place throughout the arc of its season, beginning just before the first breath of spring, through the dog days of summer, and culminating with fireworks before its painted shutters are rolled down again for winter.
