Mary Amanda Stewart,Holly Genova,2020-05-27 Secondary ELA teachers be excited here at last is that crash course in utilizing the best of what we already know about teaching reading writing and language to ensure our English learners thrive Take Penny Kittle and Donalyn Miller s reader s workshops Take Kyleene Beers and Robert Probst s signposts Take the best writing techniques advanced by the National Writing Project Take Jim Burke s essential questions for life Award winning EL authorities Mandy

Stewart and Holly Genova describe immediate adaptations you can put in place to simultaneously build your ELs language and literacy while affirming their languages cultures and unique lived experiences A rare blend of the humane and practical But Does This Work with English Learners is a book on how to leverage our ELs full linguistic repertoires in the ELA classroom while remaining sensitive to those barriers that could restrict learning With this book as your guide you ll learn how to Look beyond the labels and better understand the diversity of ELs English language proficiency levels and sociopolitical influences Teach and assess through reader s workshop recognizing where comprehensible input fits in and adapting recurring features like support choice conferencing and academic conversations Teach and assess through writer s workshops including modifications to quick writes minilessons conferencing sharing and more Teach through structures and community with classroom schedules and behavior norms and activities like All About Me Paragraphs and Six Things You Need to Know About Me Listicles Embrace identity in inquiry cycles via research and family interviews mentor texts and essays pictorial autobiographies memory paragraphs and more Answer your own FAQs such as How do I teach students if I don t know their language What about grammar How do I teach the grade level ELA standards while I teach the language As you read this book Mandy and Holly write our hope is that you will begin to see your students as multilinguals people who already have language as well as a wealth of knowledge and are just adding English to that great repertoire If you have even a single English learner in your classroom we urge you to read this book and institute its practices Right away Mandy Stewart and Holly Genova have given us a primer for the evolving complexities of our classroom melting pots a map for navigating the murky waters of regulations and most importantly a recipe for opening our arms to children from all over the world They welcome them with thoughts like A foreign accent is a sign of bravery Gretchen Bernabei Coauthor of Fun Sized Academic Writing for Serious Learning After reading this book I was left with the feeling that I learned something new on every page something that I had previously either wondered about or struggled to understand Mandy Stewart and Holly Genova are the guides we all need to help us understand and better address the needs of our English learners Jim Burke Author of The English Teacher s Companion

Go Be a Writer! Candace R. Kuby,Tara Gutshall Rucker,2016-04-15 This book provides an introduction to poststructural and posthumanist theories in order to imagine new possibilities for expanding literacy education The authors put to work these theories in the context of an elementary school classroom examining literacy based activities that occur as students participate with materials in a multimedia writers studio Focusing on literacy processes the book emphasizes the fluid and sometimes unintentional ways multimodal artifacts come into being through intra actions with human and nonhuman materials Because these theories emphasize the unplanned nonlinear aspects of literacy the authors demonstrate an approach to literacy that works against the grain of standardization and rigid curricular models Go Be a Writer reveals that when educators appreciate the value of unscripted intra actions they allow for more authentic learning

Teaching Writing Primer Paul L. Thomas,2005 Until a few decades ago student writing stood as a

distant third in the three R s Since the late 1970s however students have been asked to write more and teachers have been expected to teach writing more specifically In spite of this mandate however little has been done to prepare teachers for this shift in the curriculum This primer provides a brief history of the field as well as an exploration of what we now know about teaching Teachers entering the field as well as seasoned veterans will find how to foster student writers and to grow as writers themselves
