

SHORT PRAYER FOR A MISSION TRIP

God, I thank You that You have allowed us to be part of Your plan to save and rescue people. What a privilege that is. I understand that it is you alone who will change the hearts of people so I ask that you go before this trip and soften the hearts of the individuals that will be hearing the Good News. I pray that you will keep everyone safe, but more than that I pray that you keep everyone within your will. Allow hearts to change and lives to grow for your glory.
In Jesus' name, Amen.

,1903 Introduction to Global Missions Zane Pratt, M. David Sills, Jeff K. Walters, 2014-07-01 Missions is the work of the church to reach and teach the peoples of the world for Christ s sake The missionary call is a vital part of the life of every follower of Jesus Christ and therefore the church But the effective discipleship of all nations requires a solid biblical historical and practical foundation Therefore the study of missiology demands the effective application of biblical studies theology and history This text brings the rich heritage of evangelical missiology founded on conservative theology to a twenty first century audience passionate for the proclamation of the gospel Introduction to Global Missions brings the authors decades of combined missionary and teaching experience to a survey text appropriate for college or seminary classroom The book is divided into four sections and thirteen chapters The text begins with the biblical and theological foundations of Christian missions including a biblical theology of missions Before moving to the practical and strategic issues of twenty first century missions the authors consider the historical development of missions with a view toward providing a basis for contemporary strategies A final foundational set of chapters addresses the impact of cultures on the communication of the

gospel The remainder of the text deals with key issues and opportunities in missions including church planting missions in the local church and strategies for disciple making Introduction to Global Missions provides a foundation for readers to consider their own missionary call whether as a full time field missionary or a church member on short term projects No matter their role Great Commission Christians need a framework for doing missions well **Mission Nannys** Betty Sullins, 2020-10-20 Discover Your Part in the Ministry of Mission Nannys Mission Nannys was started by Betty Sullins in 1991 after she personally traveled to help international missionaries with domestic duties of the home Her eyes were opened to just how much her at home help meant to the families allowing them more time to serve Christ on the field Mission Nannys serves individuals and families in a variety of ways Specific assignments provide the opportunity to join active field missionaries with a particular gift and calling in order to fill a need What this book aims to do is to show you how God used the vision of one woman Betty Sullins to bring about the domestic needs of missionary families with the excitement of travel and seeing the world Hopefully by the end of it you will look at your future with optimism and possibly be more prepared for what God has in store for you too
