Right-Wing Resurgence Daryl Johnson,2012-09-14 In Right Wing Resurgence author Daryl Johnson offers a detailed account of the growth of right wing extremism and militias in the United States and the increasing threat they pose He presents a comprehensive account of a growing security concern at a time when this threat is only beginning to be realized and is still largely ignored by many      **Reports of Cases Determined in the Supreme Court of the State of Missouri** Missouri. Supreme Court,1895      **Catching Hell from All Quarters** Sean Rost,2025-06-13 In Catching Hell from All Quarters Sean Rost works to invert the traditional history of what has been termed the second Ku Klux Klan 1915 1930 by examining the efforts of anti Klan activists in particular in Missouri who challenged the growth recruitment and political ambitions of the Invisible Empire during the 1920s and 1930s through editorial crusades educational campaigns public pressure on elected officials political investigations and in some cases counter vigilantism Although anti Klan activism was nation wide Missouri provides an excellent case study for the rise and fall of the second Klan as the organization gained a large membership and obtained a notable level of political power in some parts of the Show Me State Significantly despite membership totals comparable to that of neighboring states the Missouri Klan did not translate its recruiting success into substantial influence and political power due to significant local opposition from anti Klan activists Catching Hell from All Quarters addresses key questions about the legacy of the Klan both in Missouri and nationwide Traditional scholarship on the second Klan stops at the hooded order s decline at the start of the Great Depression thus neatly splitting that era s Klan from the Civil Rights Movement era Klan of the 1950s and 1960s This book however draws direct connections between both eras by highlighting continued anti Klan activism as well as several far right fascist and white supremacist organizations that found support among Klan members both active and former during the 1930s and 1940s and aided not only in the Klan s re emergence after World War II but also influenced present day hate groups      *Lawyers' Reports Annotated* ,1905

*Reports of Cases Determined by the Supreme Court of the State of Missouri* Missouri. Supreme Court,1905      **The American State Reports** Abraham Clark Freeman,1910      Costa-Gavras John J. Michalczyk,Susan A. Michalczyk,2022-07-14 Costa Gavras Encounters with History explores the life and work of the director intertwined with historical and socio political events from the early stages of his career emigrating to France from Greece in 1955 and first studying at the Sorbonne then focusing on filmmaking at IDHEC now La F mis He became an internationally respected director first with his Oscar award winning film Z 1969 and continued with a vast array of films including his most recent work Adults in the Room 2019 His films portray the complexities of human nature relationships challenged by historical and contemporary socio political issues In this overview of the director s films the authors shed light on his encounters with history from his youth in war torn Greece to his later films on immigration unemployment global capitalistic greed and the

abuse of political and economic power in Europe Costa Gavras films have spanned several decades and several continents to combat unethical laws and injustice oppression legal illegal violence and torture Throughout his evolution in the world of cinema for over half a century as director writer and producer Costa Gavras has told human interest stories that entertain and inspire and that help us better understand ourselves and a fragile fragmented world

America's Secret Jihad Stuart Wexler,2016-06-14 The conventional narrative concerning religious terrorism inside the United States says that the first salvo occurred in 1993 with the first attack on the World Trade Center in New York City This narrative has motivated more than a decade of wars and re prioritized America s domestic security and law enforcement agenda But the conventional narrative is wrong A different group of jihadists exists within US borders This group has a long but hidden history is outside the purview of public officials and has an agenda as apocalyptic as anything Al Qaeda has to offer Radical sects of Christianity have inspired some of the most grotesque acts of violence in American history the 1963 Birmingham Church bombing that killed four young girls the Mississippi Burning murders of three civil rights workers in 1964 the assassination of Martin Luther King Jr in 1968 the Atlanta Child Murders in the late 1970s and the Oklahoma City Bombing in 1995 America s Secret Jihad uses these crimes to tell a story that has not been told before Expanding upon the

author's ground breaking work on the Martin Luther King Jr murder and through the use of extensive documentation never before released interviews and a re interpretation of major events America's Secret Jihad paints a picture of Christian extremism and domestic terrorism as it has never before been portrayed      **American Criminal Reports** John Gardner Hawley, John Gibbons, John Fickey Geeting, Henry C. Geeting, 1889      *Guide to the American Right*, 1999      Christian Supremacy Magda Teter, 2025-03-04 A panoramic cultural and legal history that traces the roots of antisemitism and racism to early Christian theology Since the earliest days of Christianity theologians expressed pervasive anxiety about Jews as equal members of society and with European expansion in the early modern period that anxiety extended to people of color This troubling legacy still haunts us today Christian Supremacy demonstrates how theological and legal frameworks created by the church centuries ago laid the seeds of antisemitism and anti Black racism and reveals why Christian identity lies at the heart of the world's violent white supremacy movements In a powerful historical narrative spanning nearly two millennia Magda Teter describes how Christian theology of late antiquity cast Jews as children born to slavery and how the supposed theological inferiority of Jews became inscribed into law creating tangible structures that reinforced a sense of Christian domination and superiority With the dawn of European colonialism a distinct brand of European Christian supremacy found expression in the legally sanctioned enslavement and exploitation of people of color later taking the form of white Christian supremacy in the New World Drawing on a wealth of primary evidence ranging from the theological and legal to the philosophical and artistic Christian Supremacy is a profound reckoning with history that traces the roots of the modern rejection of Jewish and Black equality to an enduring Christian heritage of exclusion intolerance and persecution      **Power and Place in the North American West** Richard White, John M. Findlay, 2012-09-01 Western historians continue to seek new ways of understanding the particular mixture of physical territory human actions outside influences and unique expectations that has made the North American West what it is today This collection of twelve essays tackles the subject of power and place from several angles Indians and non Indians race and gender environment and economy to gain insight into major forces at work during two centuries of western history The essays related to one another by their concern with how power is exercised in over and by western places cover a wide range of times and topics from 18th century Spanish New Mexico to 19th century British Columbia to 20th century Sun Valley and Los Angeles They encompass analyses of the concept and rhetoric of race theoretical speculations on gender and powerlessness and insights on the causes of current environmental crises
