Elias Chacour Blood Brothers:

Blood Brothers Elias Chacour, David Hazard, 2003-02 Riveting true life story of a Christian Palestinian from Galilee brings to life the history of modern Israel and offers insight into living at peace *Atonement, Justice, and Peace* Darrin W. Snyder Belousek, 2012 In this substantial study Darrin W Snyder Belousek offers a comprehensive and critical examination of penal substitution the most widely accepted evangelical Protestant theory of atonement and presents a biblically grounded theologically orthodox alternative Attending to all of the relevant biblical texts and engaging with the full spectrum of scholarship Belousek systematically develops a biblical theory of atonement that centers on restorative rather than retributive justice He also shows how Christian thinking on atonement correlates with major global concerns such as economic justice capital punishment the war on terror and ethnic and religious conflicts Thorough and clearly structured this book demonstrates how a return to biblical cruciformity can radically transform Christian mission social justice and peacemaking *Blessed are the Peacemakers* Patricia Griggs, 2012-01-27 Archbishop Elias Chacour born in a small Arab village in northern Galilee experienced the establishment of the State of Israel and the loss of his home when he was eight years old His parents taught that violence is never an appropriate response to violence and that Jesus teachings and example provide a path to reconciliation and peace Today he is recognized around the world as a peacemaker He founded schools in Ibillin Israel where Christian Muslim Jewish and Druze students and teachers learn to respect one another and live together in peace In this book young readers as well as adults are encouraged to become peacemakers wherever they live **Soul Food** Robert P. Vande Kappelle, 2023-01-04 Everyone loves a good story one with interesting characters an intriguing plot lots of twists and turns and a surprise ending Storytelling is an entertaining art but it is also instructive and essential to intellectual moral and spiritual growth Literature as all art is a gift of divine grace a pathway to mystery Each literary experience is slightly beyond our horizon of understanding What a gift literature is When it enhances spirituality each literary moment confounds in order to keep us going and growing The restoration of wonder is the beginning of the inward journey toward the awaiting God Soul Food contains stories that are both entertaining and inspiring wholesome and heart warming Some are humorous others are tragic or sad but all are memorable The collection is divided into five sections 1 personal stories 2 biblical and faith stories 3 classic stories fables and tales 4 literary and historical stories and 5 inspirational stories Some of these stories come from personal experience my own and that of family and friends Others including myths legends fantasies and tales come from folklore and oral tradition while others are taken from the public domain As you read these stories sequentially or randomly I trust they will aid you in your quest for meaning direction and stability Enjoy these stories and may they enhance your journey through life and its manifold seasons I hope you will return to this collection repeatedly finding in these stories courage wisdom and inspiration **Story-Formed Pathways to Peace** Dalton Reimer, 2018-09-11 The Book Story Formed Pathways to Peace calls readers to action around a single vision making

peace a reality It draws on the unexpected power of stories to transform the world The stories retold here have resonated through the ages not only with those religious but also with thinkers artists musicians and others who have seen in them universal patterns of behavior Now retold with commentary as seen through the lens of conflict and peacemaking they illuminate pathways to peace as relevant today as when first told Each chapter is fronted with imagined headlines of the ancient story with actual parallel headlines from the present thus highlighting this connection of past and present It is then in going back that pathways toward peace are illuminated for the present and future The wisdom tradition of sacred texts is hereby extended

CCDA Theological Journal, 2012 Edition Chris Jehle, 2013-08-28 The Theological Journal is designed to enable our practitioners to capably integrate theological concepts into their practice The articles are written by CCDA members and will challenge us to go deeper theologically while giving us language that will allow us to dialogue outside of The Academy Theological reflection and engagement among practitioners and with our neighbors can often be strange bedfellows but this should not be the case

Overcoming Evil God's Way Stephen Russell, 2008-06 **For Zion's Sake** Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology
