Elitefts Bench Press Manual:

Bench Mode Training Manual David Hampton, 2021-12-07 Hampton Strength Systems was written by Dave Hampton a former endurance athlete who discovered the secret of transforming his formerly skinny marathon runner physique into a huge powerful and intimidating mountain of muscle Dave has only revealed these secrets to a few of his personal friends that he trained to be champion powerlifters He has never revealed any of this information to the general public until NOW This is the routine that Dave put together which doubled his bench press in 3 years 225 450 pounds Through trial and error Dave developed a unique 4 cycle rotating bench press blueprint plan He tried many other plans but none of them produced an increase in his and many others bench pressing strength like the one presented in this chapter The uniqueness of Dave s 4 cycle rotating bench press plan is in its simplicity He uses very practical methods that are virtually guaranteed to maximize the bench press poundage of the anabolic drug free power bodybuilder Dave strongly suggests that anabolic drug free power bodybuilders must train differently than the drug users and proves it If you are desperate to improve your current bench press poundage big time and want to do so for years to come then you will definitely want to read this chapter **The Westside Barbell Bench Press Manual** Louie Simmons, 2009 *The Powerlifting Manual* Dennis B. Weis, 2021-12-30 Powerlifters are always looking for ways to improve their totals it is with this thought in mind that I have written this training manual The majority of this manual will deal exclusively with a very successful form of training The system is called Cycle Training The Enthusiasm Factor will be great in this system because the programs are constantly changing every six to eight weeks New goals of strength levels will be realized more frequently than is normally experienced in regular power lift schedules I have included many of the facets of the training and competitive aspects of the power lifts Additionally I am detailing the form and technique necessary for the three powerlifts The bulk of this manual is geared toward achieving desired results with as little complicated procedure as possible [The Ultimate Bench Press Manual](#) Danny O'Dell, 2006-04-01 This book is designed for people who want to increase their bench press [The Bench Press](#) Frederick C. Hatfield, 1982 [Bench Press: the Science](#) , 2014-02-07 Are you putting in the time at the gym without the bench press to show for it Take advantage of the methods Josh has used to produce multiple world record holders in the bench press This book is a science based approach to building a bigger bench press all in an easy to understand format For the cost of a couple energy drinks you can gain the knowledge that has taken Josh years to acquire through practical experience and stringent academic study See what the experts have to say Josh has proven that his methods work This book is the most comprehensive book ever written on the bench press I recommend it to everyone wanting to get fantastic results Eddy Coan The Undisputed Greatest Powerlifter of All time There is no doubt in my mind this is the best book ever compiled on the bench press its science and how to train it Dave Tate founder EliteFTS com Great book Josh just got done reading it some really great concepts It is Officially the Bench Press Bible Eric Spoto All Time World Record Holder Raw Bench Press 722
