Emily S Bondage:

The Glamorous Life of Emily's Failure David J. Lythberg, 2009-07-22 Race God Two forces that have oppressed David's life from the beginning As he grows they follow him bearing down upon his neck like a yoke But someone else follows him as well There is an appointed time for them to meet Race God Growing up biracial is hard for David being the son of an overbearing black mother and a passive white father They've pulled him from an all black world into an all white one But someone is there also There is an appointed time for them to meet Race God David eventually learns to throw the shackles of both away to lash out against anything racial or religious He changes Grows angrier hates more Still that someone is there watching Waiting Emily But Emily couldn't wait any longer Her love for David couldn't be contained until that appointed time She takes matters into her own hands and makes her presence known In an attempt to win his love she dons his clothes and engages in his interests But sadly her plan backfires and everything turns disastrous and she is left damaged and alone Race God Emily Years pass Time shifts When they do meet it is a meeting like no other The rapture they feel for one another surpasses the drudgedness of their station For David life couldn't be imagined without her and at such a time as this she is taken away from him Is it a sacrifice or some unfortunate circumstance She leaves someone in her stead to continue with him where she left off Someone who cares just as much as she had Someone who loved him from the beginning just as she had God It is only then that David realizes who Emily really was and how much he'd failed to understand *Reconstructing*
