Funny Awards For College Students:

English the American Way: A Fun ESL Guide for College Students (Book + Audio) Sheila MacKechnie Murtha, Jane Airey O'Connor, 2016-11-17 Includes audio to practice speaking and listening until you're perfect Cover A Day in the Life of a College Student Leader Sarah M. Marshall, Anne M. Hornak, 2023-07-03 Sarah Marshall and Anne Hornak have done a magnificent job exploring diverse contexts in which college students expand their individual leadership capacity and learn and practice engaging in relational leadership with others. These cases are realistic because they were gathered from their interviews with real students engaging in leadership. From whatever perspective students can learn that they are doing leadership when they work with others to address shared issues, solve shared problems, and work toward positive change. From the Foreword by Susan R. Komives This book presents over 230 case studies that reflect typical issues faced by undergraduate student leaders. The scenarios cover the range of functional areas of student life. These cases are intended for use by faculty and student affairs professionals as training tools for new student leaders who generally receive little preparation before assuming their positions. Cases provide an opportunity for students to roleplay and discuss scenarios before they encounter potentially similar events in their daily lives as leaders engage students intensely in their learning as they work through the issues and problems and promote meaningful dialogue and discussion of relevant theory. The cases are based on real-life dilemmas and reflect both contemporary and historical campus issues. They are derived from interviews with 110 undergraduates and 11 student affairs administrators from large public research institutions, small privates, community colleges, and mid-sized comprehensive schools. The book begins with guidance on how to use case studies effectively and on how to incorporate theory in analyzing them. The cases are then grouped into chapters, each of which focuses on a particular type of student organization. The cases vary in length to allow for multiple uses. Shorter cases can be roleplayed and discussed in leadership training workshops, while longer cases can be used as take-home assignments or debated during longer training sessions. The book concludes with general advice for student leaders. To assist with the facilitation process, the authors provide discussion questions to begin the analysis of each case. The cases are written broadly enough to allow for a variety of possible solutions. *2015 U.S. Higher Education Faculty Awards, Vol. 3 Faculty Awards*, 2022-09-01 Created by professors for professors, the Faculty Awards compendium is the first and only university awards program in the United States based on faculty peer evaluations. Perfect for actors, students, and actors pretending to be students. Some monologues may not be suitable for children under 17. **A Handbook for Honors Programs at Two-year Colleges** Theresa Ann James, 2006 This monograph is an idea book for two-year institutions thinking of adding an

honors program to their list of academic offerings and as such aspires to provide a useful description of the many options available to honors education for the several audiences who as a matter of course may become stakeholders in the operation of a two year college honors program Beyond their need for initial suggestions about starting a successful honors program at their home institutions readers may consider the author s full and various descriptions as an invitation to lift their eyes toward the horizon to envision a full program that will truly serve the needs of the institution This work also acquaints the audience with a selection of key examples that will aid an embryonic program in the sometimes onerous birthing process The handbook includes several appendices that list some useful research about honors including a sample honors retreat and model honors contracts The following are appended 1 Basic Characteristics of a Fully Developed Honors Program 2 Basic Characteristics of a Fully Developed Honors College 3 NCHC Publications Monographs and Resources 4 Sample Honors Retreat by Eddie Weller San Jacinto College South Campus 5 Sample Contracts excerpted from A Sampler of Honors Contracts edited by Roy Colquitt for the Two Year College Committee 1999 and 6 Bibliography
