Geography Cxc 2010 Syllabus:

Global Perspectives on Issues and Solutions in Urban Education Petra A. Robinson, Ayana Allen-Handy, Amber Bryant, Chance W. Lewis, 2019-03-01 In 2014 The Urban Education Collaborative at the University of North Carolina at Charlotte hosted its first biennial International Conference on Urban Education ICUE in Montego Bay Jamaica In 2016 the second hosting of the conference took place in San Juan Puerto Rico Additionally in 2018 the third hosting of the conference took place in Nassau Bahamas These solution focused conferences brought together students teachers scholars public sector and business professionals as well as others from around the world to present their research and best practices on various topics pertaining to urban education With ICUE s inspiration this book is a response to the growing need to highlight the multifaceted aspects of urban education particularly focusing on common issues and solutions in urban environments e g family and community engagement student academic achievement teacher preparation and professional development targeted instructional and disciplinary interventions opportunity gaps culturally relevant and sustaining practices etc Additionally with this book we seek to better understand the challenges facing urban educators and students and to offer progressive initiatives toward resolutions This unique compilation of work is organized under four major themes all targeted at critically addressing concerns that may inhibit the success of urban learners and providing solutions that have implications for curriculum design development and delivery teacher preparation and teaching diverse populations career readiness and employment and even more nuanced issues related to foster care undocumented students and mental health sustainable consumption childhood marriage food deserts and marine life and urban communities **The Caribbean in a Changing**

World Stephanie Fullerton-Cooper, Erica Gordon, Livingston Smith, 2017-06-23 This collection is a critical reflection of the evolution of Caribbean countries since the demise of the West Indies Federation in 1962 At this historical juncture some territories opted for independence while others remained dependent territories The volume examines Caribbean societies in comparative and general ways covering aspects of their ongoing development and challenges It covers such areas as Caribbean integration the state of human capital and social policy in the region the education sector Caribbean economic sustainability and significantly the physical environment of the Caribbean A central question has always been should these territories have gone independent or stayed under some British tutelage The book addresses this question illustrating that these island states have made considerable progress especially in the maintenance and deepening of democratic practices

Equitable Education for Marginalized Youth in Latin America and the Caribbean Stacey N. J. Blackman, 2022-09-02 This edited volume examines the thrust toward equity in education for marginalized and out of school youth as well as youth with disabilities in countries located in the Global South Using a critical cross cultural lens to interrogate the historical empirical and theoretical discourses associated with achieving UNESCO s equity in education agenda the book showcases the work of scholars from developed and developing nations in examining inclusive education Drawing attention to the nature impact and

effects of marginalization the book ultimately demonstrates the ability of education systems in the Global South to be innovative and agile despite current resource challenges This text will benefit scholars academics and students in the fields of international and comparative education education policy and inclusion and special educational needs education more broadly Those involved with Caribbean and Latin American studies the sociology of education and diaspora studies in general will also benefit from this volume Syllabus for an Introduction to Geography ...
