George Washington's Serious, and Delicate Decision George Washington, Gilder Lehrman Institute of American History, 2006-04-01 A keepsake on the occasion of the second George Washington Book Prize awarded jointly by Washington College the Mount Vernon Ladies Association and the Gilder Lehrman Institute of American History

Washington Ron Chernow, 2010-10-05 From the author of Alexander Hamilton the New York Times bestselling biography that inspired the musical comes a gripping portrait of the first president of the United States Winner of the 2011 Pulitzer Prize for Biography Truly magnificent a well researched well written and absolutely definitive biography Andrew Roberts The Wall Street Journal Until recently I d never believed that there could be such a thing as a truly gripping biography of George Washington Well I was wrong I can t recommend it highly enough as history as epic and not least as entertainment Hendrik Hertzberg The New Yorker Celebrated biographer Ron Chernow provides a richly nuanced portrait of the father of our nation and the first president of the United States With a breadth and depth matched by no other one volume biography of George Washington this crisply paced narrative carries the reader through his adventurous early years his heroic exploits with the Continental Army during the Revolutionary War his presiding over the Constitutional Convention and his magnificent performance as America s first president In this groundbreaking work based on massive research Chernow shatters forever the stereotype of George Washington as a stolid unemotional figure and brings to vivid life a dashing passionate man of fiery opinions and many moods Lin Manuel Miranda s smash Broadway musical Hamilton has sparked new interest in the Revolutionary War and the Founding Fathers In addition to Alexander Hamilton the production also features George Washington Thomas Jefferson James Madison Aaron Burr Lafayette and many more

George Washington David O. Stewart, 2022-02-08 A fascinating and illuminating account of how George Washington became the dominant force in the creation of the United States of America from award winning author David O Stewart An outstanding biography George Washington has a narrative drive such a life deserves The Wall Street Journal Washington s rise constitutes one of the greatest self reinventions in history In his mid twenties this third son of a modest Virginia planter had ruined his own military career thanks to an outrageous ego But by his mid forties that headstrong unwise young man had evolved into an unassailable leader chosen as the commander in chief of the fledgling Continental Army By his mid fifties he was unanimously elected the nation s first president How did Washington emerge from the wilderness to become the central founder of the United States of America In this remarkable new portrait award winning historian David O Stewart unveils the political education that made Washington a master politician and America s most essential leader From Virginia s House of Burgesses where Washington mastered the craft and timing of a practicing politician to his management of local government as a justice of the Fairfax County Court to his eventual role in the Second Continental Congress and his grueling generalship in the American Revolution Washington perfected the art of governing and service earned trust and built bridges The lessons in leadership he absorbed along the

way would be invaluable during the early years of the republic as he fought to unify the new nation *Kent County* Patricia Joan O. Horsey, R. Jerry Keiser, 2005-08-31 Kent County Maryland has retained its serene beauty and tradition despite the passage of time Situated on a peninsula where the Chester and Sassafras Rivers meander into the Chesapeake Bay Kent County boasts 209 miles of scenic shoreline The rich history of the waterfront towns features the 1782 founding of Washington College the only college named for George Washington with his express consent Chestertown the county seat is home to Emmanuel Church where the name of the Protestant Episcopal denomination was proposed and adopted in 1780 Tolchester Beachs many amusement rides will be remembered by generations of tourists and Kent County residents

Eleanor Ehrenkranz, 2012-02 This book is a compilation of recent Yiddish Israeli and American Jewish poetry in one compact volume Eleanor Ehrenkranz s Jewish poetry anthology encapsulates the agony of the Middle East in distilled images that pierce the heart Tovah Feldshuh actress I have to admit that I don t usually like poetry But ever since I first read it I have made an exception for Yankev Glatshteyn s Praying the Sunset Prayer which expertly performs what I believe to be the function of art to suggest to us why life is worth living Dara Horn novelist I loved reading Robert Pinsky s poem The Night Game It is wonderfully wise and evocative characteristically American and Jewish I see in Pinsky s words the limitless opportunities of America through the lens of America s game baseball Senator Joseph I Lieberman Rachel Korn s I Am Soaked Th rough By You is a beautifully economical history of love soaked through with passion tenderness and gratitude Judith Viorst poet and novelist

Children's Books and Their Creators Anita Silvey, 1995 Unique in its coverage of contemporary American children s literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations **Four Hundred Souls** Ibram X.

Kendi, Keisha N. Blain, 2021-02-02 1 NEW YORK TIMES BESTSELLER A chorus of extraordinary voices tells the epic story of the four hundred year journey of African Americans from 1619 to the present edited by Ibram X Kendi author of How to Be an Antiracist and Keisha N Blain author of Set the World on Fire FINALIST FOR THE ANDREW CARNEGIE MEDAL NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post Town through places laws and objects While themes of resistance and struggle of hope and reinvention course through the book this collection of diverse pieces from ninety different minds reflecting ninety different perspectives fundamentally deconstructs the idea that Africans in America are a monolith instead it unlocks the startling range of experiences and ideas that have always existed within the community of Blackness This is a history that illuminates our past and gives us new ways of thinking about our future written by the most vital and essential voices of our present Prologue , 2016 The Jefferson-Hemings Controversy: Report of the Scholars Commission

The Scholars Commission, 2021-11-01 In 2000 the newly formed Thomas Jefferson Heritage Society asked a group of more than a dozen senior scholars from across the country to carefully examine all of the evidence for and against

the allegations that Thomas Jefferson fathered one or more children by Sally Hemings one of his slaves and to issue a public report In April 2001 after a year of study the Scholars Commission issued the most detailed report to date on the issue With but a single mild dissent the views of the distinguished panel ranged from serious skepticism to a conviction that the allegation was almost certainly false This volume edited by Scholars Commission Chairman Robert F Turner includes the Final Report essentially a summary of arguments and conclusions as it was released to the press on April 12 2001 However several of the statements of individual views which collectively total several hundred carefully footnoted pages and constitute the bulk of the book have been updated and expanded to reflect new insights or evidence since the report was initially released

The 10 Key Campaigns of the American Revolution Edward G. Lengel, 2020-08-18 A Nation is Born Lexington Bunker Hill Saratoga Washington Hamilton Benedict Arnold All familiar names but how did they all fit together How did merchants lawyers farmers and cobblers come together to defeat the British Empire its powerful navy and its Hessian auxiliaries For that matter who were the Hessians and what is an auxiliary Bringing together ten eminent Revolutionary War experts editor Ed Lengel presents their stirring narratives of the military campaigns that changed history and gave birth to a new nation These historians guide you through the fateful decade of the 1770s in British America In 1776 you battle in Brooklyn Heights then cross the Delaware with Washington In the late summer and fall of 77 you bushwhack down the Champlain Valley with Johnny Burgoyne You struggle through winter with Washington and his beleaguered troops in Valley Forge When the spring of 78 turns to summer you endure the

oppressive heat and the massive battle on New Jersey farmland at Monmouth Courthouse In 1780 your journey takes you south into a bloody civil war Tory versus patriot neighbor versus neighbor in Georgia and the Carolinas Finally in 81 you join the patriots as they maneuver north into Virginia where Washington and the French navy can trap the British on the Yorktown Peninsula Complete with maps and suggested further reading The 10 Key Campaigns of the American Revolution is a short course in one of history's most consequential wars explaining how citizens became soldiers and how their dedication determination and force of will defeated the world's greatest power and launched a nation like no other European Friends of the American Revolution Andrew J. O'Shaughnessy, John A. Ragosta, Marie-Jeanne Rossignol, 2023-08-21 Europe's crucial contribution to the achievement of American independence American independence would not have been achieved without diplomatic financial and military support from Europe And without recognition from powerful European nations the young country would never have assumed an independent status amongst the powers of the earth This collection of essays not only offers new glimpses into the ways in which various European powers and actors enabled American patriots to fight and win the war it also highlights the American Revolution's short and long term impact on the Atlantic world Because of the strength of European support Great Britain found itself diplomatically isolated without an ally in a war that had become a global conflict and with a navy outnumbered by the combined fleets of America's friends This volume is a timely reminder of the importance of international support for the winning of American independence and the global context of the American Revolution as we approach its 250th anniversary Contributors Olivier Chaline Sorbonne Universit Robert Rhodes Crout College of Charleston Kathleen DuVal University of North Carolina at Chapel Hill Victor Enthoven Vrije Universiteit Amsterdam Paul A Gilje University of Oklahoma Jean Marie Kowalski Sorbonne Universit Andrew J O Shaughnessy University of Virginia Julia Osman Mississippi State University Munro Price University of Bradford Gonzalo M Quintero Saravia Senior Spanish diplomat John A Ragosta Robert H Smith International Center for Jefferson Studies at Monticello Marie Jeanne Rossignol Universit Paris Cit Timothy D Walker University of Massachusetts Dartmouth

The Fearless Benjamin Lay Marcus Rediker, 2017-09-05 The Fearless Benjamin Lay chronicles the transatlantic life and times of a singular and astonishing man a Quaker dwarf who became one of the first ever to demand the total unconditional emancipation of all enslaved Africans around the world He performed public guerrilla theatre to shame slave masters insisting that human bondage violated the fundamental principles of Christianity He wrote a fiery controversial book against bondage that Benjamin Franklin published in 1738 He lived in a cave made his own clothes refused to consume anything produced by slave labour championed animal rights and embraced vegetarianism He acted on his ideals to create a new practical revolutionary way of life

The Return of Benjamin Lay Naomi Wallace, Marcus Rediker, 2023-07-06 In your hearts you know the truth I was here among you three hundred years ago Had you chosen differently then before slavery and greed breathed their venom so deeply into our souls we would be living in another world now It is not too late to purge these poisons Benjamin

Lay shepherd sailor prophet and the British Empire's first revolutionary abolitionist returns from the grave almost three hundred years after his death as feisty and unpredictable as ever A four feet tall Little David confronts the Goliath of slavery once again as he pleads to be readmitted into the Quaker community that has disowned him and who still believe him to be dangerous Now trembling at the edge of playing God himself how far will Benjamin go as he stares down his accusers The Return of Benjamin Lay sweeps across the centuries in a bold exploration of an utterly impossible man The play opened at the Finborough Theatre London in June 2023

Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

To Conquer Hell Edward G. Lengel, 2008-01-08 An authoritative chronicle of the 1918 battle of the Meuse Argonne region of France details the bloodiest battle in American history and offers an in depth account of the campaign and its long term legacy for the Great War and the American military

The Eighteenth Centuries David T. Gies, Cynthia Wall, 2018-02-02 Today when globalization is a buzzword invoked in nearly every realm we turn back to the eighteenth century and witness the inherent globalization of its desires and at times its accomplishments During the chronological eighteenth century learning and knowledge were intimately connected across disciplinary and geographical boundaries yet the connections themselves are largely unstudied In The Eighteenth Centuries twenty two scholars across disciplines address the idea of plural Enlightenments and a global eighteenth century transcending the demarcations that long limited our grasp of the period's breadth and depth Engaging concepts that span divisions of chronology and continent these essays address topics ranging from mechanist biology painted geographies and revolutionary opera to Americanization theatrical subversion of marriage and plantation architecture Weaving together many disparate threads of the historical tapestry we call the Enlightenment this volume illuminates our understanding of the interconnectedness of the eighteenth centuries

Civil Society and Class Politics Irving Louis Horowitz, 2017-07-12 Seymour Martin Lipset's work throughout a long and distinguished career has been stamped by several features a powerful linkage of research data and social theory innovative views of historical events and a realization that politics is an activity native to all human beings voters and non voters democratic and non democratic systems and advanced and developing economies He has earned the right to be called a genuine pioneer in the field now recognized as political sociology In this special collection of professional comment and personal tribute some of Lipset's closest colleagues have gathered to review his life work in political sociology This volume includes essays on sociology and

socialism the collapse of class politics political leadership the perpetuation of inequality across generations political extremism religion as a source of polarization working class authoritarianism and an examination of civil life in the United States across the century Among the contributors are Nathan Glazer Terry Nichols Clark Richard J Samuels Sidney Verba Nancy Burns Kay Lehman Schlozman Robert B Smith William Schneider Dick Houtman and Marcella Ridlen Ray The volume is further graced by two special features an academic memoir entitled Steady Work written by Lipset and a full scale bibliography of his books monographs and pamphlets In short this is a specialist volume for social scientists that can be easily enjoyed by readers outside the field This volume was initially presented as a double issue of The American Sociologist Horowitz was commissioned by the editor of the journal to serve as special editor for the volume In turn the contributions originated at a series of invited panels at the Eastern Sociological Society meetings in 2002

Revisiting The Polite and Commercial People Elaine Chalus, Perry Gauci, 2019-01-31 For some time before his death in July 2015 former colleagues and students of Paul Langford had discussed the possibility of organising a festschrift to celebrate his remarkable contribution to eighteenth century history It was planned for 2019 to commemorate the thirtieth anniversary of the appearance of his seminal A Polite and Commercial People the opening volume in the New Oxford History of England series Paul s best known and most influential publication He was delighted to hear of these plans and the tragic news of his death only made the contributors more determined to see the project through to completion The importance of A Polite and Commercial People within its own time is unquestionable Not only did it provide a powerful new vision of eighteenth century Britain but it also played a vital part in reviving interest in and expanding ways of thinking about Georgian history As the thirteen contributors to this volume amply testify any review of the field from the 1980s onwards cannot ignore the profound effect Paul s research had on the social and political publications in his field This collection of essays combines reflection on the impact of Paul s work with further engagement with the central questions he posed In particular it serves to re connect various recent avenues of Georgian studies bringing together diverse themes present in Paul s scholarship but which are often studied independently of each other As such it aims to provide a fitting tribute to Paul s work and impact and a wider reassessment of the current direction of eighteenth century studies
