

Fresh Touch

Before: Old ombre color needed an update and center-parted strands sans fringe emphasized her long face shape.

After: A couple of inches were removed all around, then light layers and a defined side point were added to promote flair and pump up her baby-fine locks... and with deep blunt bangs, her face's length is no longer an issue! The color was freshened up with a shiny trio of auburn, red and glints of blonde.

Pretty in Platinum

Before: At-home bleaching had turned her fine locks into a stringy mess.

After: Lots of length was removed and, to increase the glam factor, bangs were cut in to tickle the brow bone. Hair is longer in front and graduated layers are stacked in back for airy movement.

After a special salon conditioning treatment, her color is expertly brightened to perfect platinum. Hair by Elizabeth Sternheim, color by Denise Monahan, L. Salon & Color Group, San Mateo, CA; for All-Makeup Models; Makeup by Joseph Corvino; Photos by Tom Carson Productions (Global Hair & Fashion Group).

Retro Surprise

Before: A one-dimensional raven hue and a boxy bob have no flair whatsoever.

After: Her color comes alive with deep brunette awash with narrow slices of red. Next, hair is cut into a retro-inspired pixie with blunt baby bangs, choppy, face-hugging sides, a graduated back and a soft, y-shaped nape. Just blow-dry with a small round brush, add shine serum and you're good to go!

Pixie Power

Before: Her mousey-brown hair had grown out so she'd taken to catching it low at the nape.

After: It's like night and day! Blah brown was bleached, then toned to a dazzling platinum hue that's bursting with shine. Her new cut is just as bold—a sharply angled pixie with layers that are shortest in back for lift and pointy panels that make sexy earrings get the attention they deserve! After backcombing for height, mist on the shine spray.

New Angle

Before: A shapeless, disheveled crop made her look washed out and the cut played up her square face shape.

After: To start, a bright red hue with dark under panels adds much-needed depth and shine. Next comes an asymmetrical cut with up-front angles and fuller fringe to instantly make her face look more oval-like. Style ends under on one side while flipping them out on the other to play off the asymmetry further.
