- NOTE: Although this is useful for the point-to-point release, as the design matures in the program, it's not clear what the best release for setting the shared libraries should be. Through the 1.0.0 development libraries we will continue to through the shared libraries along with the point-to-point releases.
- 
- If you are not already familiar with the point-to-point release, the 1.0.0 release of the program is the only one that is not a point-to-point release. The 1.0.0 release is the only one that is not a point-to-point release. The 1.0.0 release is the only one that is not a point-to-point release.
