Mocking the Age Elaine B. Safer,2012-02-01 The first comprehensive assessment of Philip Roth s later novels *Mocking the Age* offers rich and insightful readings that explore how these extraordinary works satirize our contemporary culture From *The Ghost Writer* to *The Plot Against America* Roth uses humor to address deadly serious matters including social and political issues psychological problems postmodern concerns and the absurd In her clear and extensive analyses of these works Elaine B Safer looks at how Roth s approach to the comic incorporates the self deprecating humor of Jewish comedians as well as the humor of nineteenth century Eastern European Jewish storytellers and such twentieth century writers as Bernard Malamud and Saul Bellow Filling the void on critical examinations of Roth s later work Safer s book provides a thorough appraisal of Roth s lifetime accomplishment and an essential evaluation of his comic genius

Who I Am After All Jeff Ansell,2023-01-16 You may

recognize Jeff Ansell's voice from CHUM radio or his face from City TV but the behind the scenes tales of his life are even more fascinating than the stories he uncovered In this unflinchingly honest and vulnerable memoir Jeff reveals his investigative reporting escapades from hunting Nazi war criminals living in Canada to inciting the closure of an abusive nursing home and even going undercover as a drug addict to expose medical fraud He then steps over to the other side of the microphone to provide media and crisis training to thousands of people worldwide including PG E during the Erin Brockovich case and BP's partner during the Deepwater Horizon disaster He even became an instructor at Harvard Law School and lecturer at Harvard Business School despite being a high school dropout And that's just scratching the surface Jeff's uncanny ability to meet celebrities leads to hilarious and heartwarming interactions usually and he recognizes the irony of being an on air personality and keynotes speaker plagued with panic attacks He opens up about how grieving changed his relationship to spirituality and doesn't pull any punches when guiding us through his tumultuous battle with illness One thing is for sure Jeff lived a full life and this entertaining and inspirational memoir is proof of it
