Lawson,2020-02-03 There are many times in this world when a healthy boy is happy When he is put into knickerbockers for instance and comes a man to day as my little Jim used to say When they re cooking something at home that he likes When the sandy blight or measles breaks out amongst the children or the teacher or his wife falls dangerously ill or dies it doesn t matter which and there ain t no school When a boy is naked and in his natural state for a warm climate like Australia with three or four of his schoolmates under the shade of the creek oaks in the bend where there s a good clear pool with a sandy bottom When his father buys him a gun and he starts out after kangaroos or possums When he gets a horse saddle and bridle of his own When he has his arm in splints or a stitch in his head he s proud then the proudest boy in the district I wasn t a healthy minded average boy I reckon I was born for a poet by mistake and grew up to be a Bushman and didn t know what was the matter with me or the world but that s got nothing to do with it **Joe Wilson and His Mates - Scholar's Choice Edition**
