Kzn June Question Papers:

South Africa News Update, 1996 Consists of reproductions of articles from South African newspapers *Report and Publications List* University of Natal. Centre for Applied Social Sciences, 1987 Being Scholarly Liezel Frick, Vernon Trafford, Magda Fourie-Malherbe, 2016-01-05 In this discussion of higher education studies in South Africa we attempt to illustrate how higher education studies in South Africa reflect both global and local trends and concerns and how the publications by Eli Bitzer over the course of his involvement and dedication to the field for thirty years have contributed to our understanding of this field **The South African State Transformed?** Louis A. Picard, Thomas M. Mogale, Caitlin C. Corrigan, 2024-09-10 This book examines the nature of the 1994 political transition in South Africa and its impact on post apartheid South Africa Specifically it examines the failures of liberalism within the context of the transitional process that led to the institution if not the practice of a non racial state in 1994 The term liberal is an eclectic term defining a several of views political and economic We use the term here within context but essentially define it as a commitment to open views the willingness to consider change and to value basic human rights The nature of institutional change in South Africa as it moved towards a democratic state would influence whether South Africa would succeed as a newly industrializing pluralist democratic country or collapse into yet another African failed state As South Africa moves toward its fourth decade of majority rule the view towards the future is much less promising than it was in 1994 **Mbeki and After** Daryl Glaser, 2010-10-01 For nearly ten years indeed more if we include his period of influence under Mandela s presidency Thabo Mbeki bestrode South Africa s political stage Despite attempts by some in the new ANC leadership to airbrush out his role there can be little doubt that Mbeki was a seminal figure in South Africa s new democracy one who left a huge mark in many fields perhaps most controversially in state and party management economic policy public health intervention foreign affairs and race relations If we wish to understand the character and fate of post 1994 South Africa we must therefore ask What kind of political system economy and society has the former President bequeathed to the government of Jacob Zuma and to the citizens of South Africa generally This question is addressed head on here by a diverse range of analysts commentators and participants in the political process Amongst the specific questions they seek to answer What is Mbeki s legacy for patterns of inclusion and exclusion based on race class and gender How if at all did his presidency reshape relations within the state between the state and the ruling party and between the state and society How did he reposition South Africa on the continent and in the world This book will be of interest to anyone wishing to understand the current political landscape in South Africa and Mbeki s role in shaping it **Information and Communication Technologies for Development in Africa** Ramata Molo Thioune, 2003 Networking Institutions of Learning SchoolNet **Stopping the Spies** Jane Duncan, 2018-06-01 Is South Africa on its way to becoming a surveillance state and will it need a whistleblower In 2013 former National Security Agency NSA contractor Edward Snowden leaked secret documents revealing that state agencies

like the NSA had spied on the communications of millions of innocent citizens International outrage resulted but the Snowden documents revealed only the tip of the surveillance iceberg Apart from insisting on their rights to tap into communications more and more states are placing citizens under surveillance tracking their movements and transactions with public and private institutions The state is becoming like a one way mirror where it can see more of what its citizens do and say while citizens see less and less of what the state does owing to high levels of secrecy around surveillance In this book Jane Duncan assesses the relevance of Snowden s revelations for South Africa In doing so she questions the extent to which South Africa is becoming a surveillance society governed by a surveillance state Duncan challenges members of civil society to be concerned about and to act on the ever expanding surveillance capacities of the South African state Is surveillance used for the democratic purpose of making people safer or is it being used for the repressive purpose of social control especially of those considered to be politically threatening to ruling interests She explores the forms of collective action needed to ensure that unaccountable surveillance does not take place and examines what does and does not work when it comes to developing organised responses

The South African Gandhi Ashwin Desai, Goolam Vahed, 2015-10-07 A biography detailing Gandhi s twenty year stay in South Africa and his attitudes and behavior in the nation s political context In the pantheon of freedom fighters Mohandas Karamchand Gandhi has pride of place His fame and influence extend far beyond India and are nowhere more significant than in South Africa India gave us a Mohandas we gave them a Mahatma goes a popular South African refrain Contemporary South African leaders including Mandela have consistently lauded him as being part of the epic battle to defeat the racist white regime The South African Gandhi focuses on Gandhi s first leadership experiences and the complicated man they reveal a man who actually supported the British Empire Ashwin Desai and Goolam Vahed unveil a man who throughout his stay on African soil stayed true to Empire while showing a disdain for Africans For Gandhi whites and Indians were bonded by an Aryan bloodline that had no place for the African Gandhi s racism was matched by his class prejudice towards the Indian indentured He persistently claimed that they were ignorant and needed his leadership and he wrote their resistances and compromises in surviving a brutal labor regime out of history The South African Gandhi writes the indentured and working class back into history The authors show that Gandhi never missed an opportunity to show his loyalty to Empire with a particular penchant for war as a means to do so He served as an Empire stretcher bearer in the Boer War while the British occupied South Africa he demanded guns in the aftermath of the Bhambatha Rebellion and he toured the villages of India during the First World War as recruiter for the Imperial army This meticulously researched book punctures the dominant narrative of Gandhi and uncovers an ambiguous figure whose time on African soil was marked by a desire to seek the integration of Indians minus many basic rights into the white body politic while simultaneously excluding Africans from his moral compass and political ideals Praise for *The South African Gandhi* In this impressively researched study two South African scholars of Indian background bravely challenge political myth making on both sides of the Indian

Ocean that has sought to canonize Gandhi as a founding father of the struggle for equality there They show that the Mahatma to be carefully refrained from calling on his followers to throw in their lot with the black majority The mass struggle he finally led remained an Indian struggle Joseph Lelyveld author of Great Soul Mahatma Gandhi and His Struggle with India This is a wonderful demonstration of meticulously researched evocative clear eyed and fearless history writing It uncovers a story some might even call it a scandal that has remained hidden in plain sight for far too long The South African Gandhi is a big book It is a serious challenge to the way we have been taught to think about Gandhi Arundhati Roy author of The God of Small Things

Development and Rights Christian Lund,2013-10-23 This collection of essays hand explores a major undercurrent of the debate on rights namely the question of universalism and cultural relativism It also explores how rights are claimed and contested vindicated and politicized and in different ways transform social practice

History of South Africa Thula Simpson,2022-08-04 South Africa was born in war has been cursed by crises and ruptures and today stands on a precipice once again This book explores the country s tumultuous journey from the Second Anglo Boer War to 2021 Drawing on diaries letters oral testimony and diplomatic reports Thula Simpson follows the South African people through the battles elections repression resistance strikes insurrections massacres crashes and epidemics that have shaped the nation Tracking South Africa s path from colony to Union and from apartheid to democracy Simpson documents the influence of key figures including Jan Smuts Nelson Mandela Steve Biko P W Botha Thabo Mbeki and Cyril Ramaphosa He offers detailed accounts of watershed events like the 1922 Rand Revolt the Defiance Campaign Sharpeville the Soweto uprising and the Marikana massacre He sheds light on the roles of Gandhi Churchill Castro and Thatcher and explores the impact of the World Wars the armed struggle and the Border War Simpson s history charts the post apartheid transition and the phases of ANC rule from Rainbow Nation to transformation state capture to New Dawn Along the way it reveals the divisions and solidarities of sport the nation s economic travails and painful pandemics from the Spanish flu to AIDS and Covid 19

Land, Labour and Livelihoods in Rural South Africa: KwaZulu-Natal and Northern Province Michael Lipton,1996

Dance of Life Gail Fincham,2012-04-22 In recent years the work of Zakes Mda novelist painter composer theater director and filmmaker has attracted worldwide critical attention Gail Fincham s book examines the five novels Mda has written since South Africa s transition to democracy Ways of Dying 1995 The Heart of Redness 2000 The Madonna of Excelsior 2002 The Whale Caller 2005 and Cion 2007 Dance of Life explores how refigured identity is rooted in Mda s strongly painterly imagination that creates changed spaces in memory and culture Through a combination of magic realism African orature and intertextuality with the Western canon Mda rejects dualistic thinking of the past and the present the human and the nonhuman the living and the dead the rural and the urban He imbues his fictional characters with the power to orchestrate a reconfigured subjectivity that is simultaneously political social and aesthetic

Development Planning in South Africa John Reynolds,2018-06-15 Celebrated as a beacon of democracy and reconciliation many people in South

Africa continue to live in severe poverty particularly in the Eastern Cape Province Backed by the United Nations Development Programme the Eastern Cape s provincial government consequently launched an historically ambitious programme the Provincial Growth and Development Plan aimed at tackling the province s poverty unemployment and inequality over a ten year period in a radical policy overhaul Drawing on the author s first hand engagement with the planning process Development Planning in South Africa is an empirically rich study that utilises a strategic relational approach to explore the ways in which this unprecedented challenge was negotiated and eventually undermined by the South African state The first work of its kind the book provides an indispensable micro level study with profound implications for how state power is understood to be organised and expressed in state policy Relevant beyond South Africa to policy implementation in both developing and developed states globally the book is essential reading for students and scholars of government studies political economy development policy studies and social movements

South Africa Pushed to the Limit Hein Marais, 2013-07-04 Since 1994 the democratic government in South Africa has worked hard at improving the lives of the black majority yet close to half the population lives in poverty jobs are scarce and the country is more unequal than ever For millions the colour of people s skin still decides their destiny In his wide ranging incisive and provocative analysis Hein Marais shows that although the legacies of apartheid and colonialism weigh heavy many of the strategic choices made since the early 1990s have compounded those handicaps Marais explains why those choices were made where they went awry and why South Africa s vaunted formations of the left old and new have failed to prevent or alter them From the real reasons behind President Jacob Zuma s rise and the purging of his predecessor Thabo Mbeki to a devastating critique of the country s continuing AIDS crisis its economic path and its approach to the rights and entitlements of citizens South Africa Pushed to the Limit presents a riveting benchmark analysis of the incomplete journey beyond apartheid

Bewildering Borders Werner Zips, Manuela Zips-Mairitsch, 2019 Transfrontier conservation challenges African borders the colonial scars of history The global tourism industry has discovered the potential of African borderlands for adventure travel Iconic animals and indigenous cultures are marketed in the same breath often evoking stereotypical images of Wild Africa Can ecotourism and ethno tourism be commended as viable panaceas for environmental protection and development The marketing of nature and culture raises important questions on the meaningful inclusion of local communities as tourism entrepreneurs Living museums and cultural villages are emerging as start ups of local communities They commodify ethnicity albeit on their own terms This volume debates the economy of conservation providing diverse perspectives on an issue of great contemporary relevance

Public Administration in Africa Shikha Vyas-Doorgapersad, Lukamba-Muhiya. Tshombe, Ernest Peprah Ababio, 2016-04-19 With contributions from leading regional scholars Public Administration in Africa Performance and Challenges examines the complexities of the art of governance from the unique African perspective The editors bring together a cohesive study of the major issues and regions by taking an analytic approach with the strong problem solution

application Regions addressed range from South Africa Congo Uganda Nigeria Ghana Mauritius and Botswana Themes include colonialism reform poverty economy decentralization financing media political structures and more Beginning with an analysis of the relationship of policy design and its destination service delivery the book discusses the historical development of a state that has gone through upheavals in government and explores a decayed political economy that ultimately results in a need for sweeping measures The text examines the issues emerging policy makers in Africa must tackle namely poverty and the denial or lack of resources to keep a dignified human life It highlights how the media can be a catalyst for good governance and provides analytical aspects of implementing good governance reforms The book concludes with an examination of the concepts of decentralization and devolution in measuring service delivery performance and an exploration of Africa s economic success story It also details the African Peer Review Mechanisms in selected African countries and provides a holistic analysis of local government functioning in Africa These features and more make it an interdisciplinary reference for diverse social economic political and administrative issues

The Day the South African Constitutional Court Legalised Crime and Corruption- To the Benefit of the Guptas. Sejake Petrus

Motaung,2020-04-17 The Day the South African Constitutional Court Legalised Crime and Corruption To the Benefit of the Guptas By Sejake Petrus Motaung One of the most pertinent questions that plagues the Church today is its involvement or lack thereof in politics Should the Church take a firm stand against politicians with regard to corruption and looting of state properties In other words was or is Jesus concerned about the political social and economical well being of the people The Day the South African Constitutional Court Legalised Crime and Corruption To the Benefit of the Guptas seeks to answer these questions through an in depth look at the politics within South Africa as it draws most from the revelations in the Zondo Commission of Inquiry

Women in South African History Nomboniso Gasa,2007 Accompanying CD ROM contains the complete text of the printed volume

National Identity and State Formation in Africa Manuel Castells, Bernard Lategan,2021-03-16 This book examines how the interplay between globalization and the assertion of local identities is reshaping the political landscape of Africa While defending their values against external forces people simultaneously and paradoxically use the interconnectivity of global networks to maximize their particular interests Focusing on the relation between national identity and state formation the authors explore the far reaching consequences of these contradictory dynamics Although Africa shares many common trends with other parts of the world it also displays distinctive features A region characterized by the increased mobility of people goods and ideas challenges some conventional assumptions of statecraft and also highlights the advantages of federalism not merely as a constitutional option but as a pragmatic device for managing diversity and holding fragile states together The book further explores emerging types of state formation in the same political space as exemplified by the combination of elements of a kingdom an independent state and a national power base in the province of KwaZulu Natal and the careful crafting of an alternative state within a state by the Solidarity

Movement in South Africa Informed by examples and case studies drawn from different parts of Africa this book will be of great interest to students and scholars of Africa politics sociology media studies and the social sciences more generally

Corruption, Ethics, and Governance in South Africa Modimowabarwa Kanyane, 2024-05-20 This book assesses landmark empirical studies state capture concerns corruption and fraud in South Africa's public sector and thereby reflect on issues of accountability and ethics as cornerstones of governance Bringing together some of the best minds about corruption ethics and governance from a multidisciplinary perspective the book pushes critical thinking to interrogate interventions that could stamp out and stop the rot of corruption in society The book investigates the behaviours of officials and politicians engaging in acts of corruption and considers how state institutions have been captured and corrupted by these people Considering South Africa's historical and regional context the book also considers the role of watchdogs auditors and public opinion In suggesting mechanisms for combating and preventing corruption the book ultimately advocates for long lasting preventive interventions instead of current short lived and costly approaches to combating corruption Combining original case studies empirical work and some comparisons in Zimbabwe and Botswana with South Africa this book will be of interest to students researchers and policymakers working on corruption ethics and governance from the context of public administration and law
