

Chairman's Message

- Prem Kumar Verma

It gives me great pleasure to extend to you all a very warm welcome to SPE Kakinada Chapter and its Website.

Hydro-carbon reserves in East Coast of India are promising, mostly offshore in deep-water, and may emerge as major contributor in meeting India's energy demands.

Kakinada being the hub of East Coast offshore activities, several Oil & Gas Industry Operators & service providers like ONGC, OIL, Cairn, RIL, GSPC, Schlumberger, Baker Hughes BG, Weatherford, BJ, and Halliburton have set up their bases at Kakinada, and many more companies may come up in this our very own east coast.

SPE Kakinada Chapter has an important role to play in disseminating technical knowledge & experiences and to provide opportunities for professionals to enhance their professional competence with the contributions from operators and service providers located in and around Kakinada. The students from institutions like JNTU are going to be benefitted by enhancing their technical knowledge with the experience sharing through SPE Chapter.

Exploration and production of oil and gas is critical for India's energy security and economic growth. Oil and Gas exploration and production business is therefore inexorably linked with the national imperative.

But let me return to the work of the SPE. Personally, I feel one absorbs information best when the surroundings are congenial. As you are aware of the tremendous effort made, and the large investment in funds and scientific effort by a number of companies in east coast reclaiming large areas of oil & Gas reserves and in "making the Country bloom". I wish them every success in their noble endeavours and I am only too anxious to hear our distinguished colleagues share their experiences and technological developments in their respective fields.

SPE itself is also an opportune time to renew contacts and discuss problems of mutual interest with delegates from member companies of the Region & as well as from distinguished guests.

I request all experts, engineers, scientists & students to strengthen the SPE – Kakinada Section.

Wish you all the best.
