The Organisation of Crime and Harm in the Construction Industry Jon Davies, Hanna Malik, 2024-04-30 Drawing on empirical work and secondary analysis from the UK and Finnish construction industries this book contributes a deep

rooted analysis of construction industry harms that originate from corporate industrial state processes The UK context arguably represents a classic neoliberal system categorised by privatisation of services and minimal regulation whereas Finland broadly provides a social democratic alternative with its relatively strong national regulation and public sector oversight of industry These concepts interlink strongly with the notion of state corporate crime since this perspective shifts attention away from individualistic explanations for crime and harm towards symbiosis between states and corporations This book argues that existing explanations based on organised crime and individual rogues are insufficient to account for the wider range and subtlety of harms that occur in construction and therefore offers a unique perspective into organisational industry and state dynamics in this sector An accessible and compelling read this book will appeal to students and scholars of criminology sociology organized crime and those interested in harms in the construction industry *Digital Indonesia* Edwin Jurriens, 2018-02-14 This book places Indonesia at the forefront of the global debate about the impact of disruptive digital technologies Digital technology is fast becoming the core of life work culture and identity Yet while the number of Indonesians using the Internet has followed the upward global trend some groups e the poor the elderly women the less well educated people living in remote communities are disadvantaged This interdisciplinary collection of essays by leading researchers and scholars as well as e governance and e commerce insiders examines the impact of digitalisation on the media industry governance commerce informal sector employment education cybercrime terrorism religion artistic and cultural expression and much more It presents groundbreaking analysis of the impact of digitalisation in one of the world's most diverse geographically vast nations In weighing arguments about the opportunities and challenges presented by digitalisation it puts the very idea of a technological revolution into critical perspective **Fraud and Corruption** Peter C. Kratcoski, Maximilian Edelbacher, 2018-09-14 This textbook provides an overview of the major types of fraud and corrupt activities found in private and public agencies as well as the various methods used to prevent fraud and corruption It explores where opportunities for fraud exist the personal characteristics of those who engage in fraud as well as their prevention and control This work covers fraud in the financial sector insurance health care and police organizations as well as cybercrime It covers the relationship between fraud corruption and terrorism criminal networks and major types of personal scams like identity theft and phishing Finally it covers the prevention and control of fraud through corporate whistle blowing investigative reporting forensic accounting and educating the public This work will be of interest to graduate level students as well as upper level undergraduates in Criminology Criminal Justice particularly with a focus on white collar and corporate crime as well as related fields like business and management **The Bloomsbury Handbook of Popular Music Policy** Shane Homan, 2022-01-13 The Bloomsbury Handbook of Popular Music Policy is the first thorough analysis of how policy frames the behavior of audiences industries and governments in the production and consumption of popular music Covering a range of industrial and national contexts this collection assesses how music policy has become an important arm

of government and a contentious arena of global debate across areas of cultural trade intellectual property and mediacultural content It brings together a diverse range of researchers to reveal how histories of music policy development continue to inform contemporary policy and industry practice The Handbook maps individual nation case studies with detailed assessment of music industry sectors Drawing on international experts the volume offers insight into global debates about popular music within broader social economic and geopolitical contexts **Journal of the Senate of the United States of America** United States.
