Argyle, Adrian Furnham, 2013-10-23 This fascinating book examines such diverse and compelling subjects as money and power gender differences morality and tax the very rich the poor lottery and pools winners how possessions and wealth affect self image and esteem why some people become misers and others gamblers spendthrifts and tycoons and why some people gain more pleasure from giving away money than from retaining it Comprehensive and cross cultural The Psychology of Money integrates fascinating and scattered literature from many disciplines and includes the most recent material to date It will be of interest to psychologists sociologists anthropologists and to people interested in business and economics **Don't**

Be Afraid of the Bullets Laura Kasinof, 2016-03-01 Laura Kasinof studied Arabic in college and moved to Yemen a few years later after a friend at a late night party in Washington DC recommended the country as a good place to work as a freelance journalist When she first moved to the capital city of Sanaa in 2009 she was the only American reporter based in the country She quickly fell in love with Yemen s people and culture and even found herself the star of a local TV soap opera When antigovernment protests broke out in Yemen in 2011 part of the revolts sweeping the Arab world at the time she contacted

the New York Times to see if she could cover the rapidly unfolding events for the newspaper Laura never planned to be a war correspondent but found herself in the middle of brutal government attacks on peaceful protesters As foreign reporters were rounded up and shipped out of the country Laura managed to elude the authorities but found herself increasingly isolated and even more determined to report on what she saw With a new foreword by the author about what has happened in Yemen since the book s initial publication Don t Be Afraid of the Bullets is a fascinating and important debut by a talented young journalist

Trading Places Claudia Mills,2006-03-21 Todd and Amy Davidson may be twins but they re complete opposites Todd is organized and is the family engineer while Amy is outgoing and has been dubbed the poet So it would seem that for a fifth grade economics project Todd would come up with a master invention and Amy would have a blast with her best friends as partners To their surprise Todd can t think of a single idea and Amy gets stuck working with the class crybaby Then Todd begins writing poetry But this is nothing compared to the switch their parents have made Their father has been unemployed for months and their mother has started to work at a crafts store Now there s never enough food in the house everybody is always on edge and when Amy s friends come over after school they find Mr Davidson uncombed and unshaven in his ratty old bathrobe Will life ever return to normal With chapters that alternate between Todd s and Amy s points of view this novel is a realistic and sometimes funny portrayal of a family adapting to changing roles Trading Places is a 2007 Bank Street Best Children s Book of the Year
