Pipkin,2013-08-30 Many

Pentecostal groups have forgotten their legacy of war resistance and doctrinal history opposing killing To rectify this loss we have catalogued Holiness and Pentecostal denominational statements on war and peace Numerous Holiness groups and virtually all early Pentecostal groups had some form of pacifist statement against war This antiwar collection gives us an almost uniform picture of the early Pentecostal movement as largely pacifist in orientation The commonality of these statements across both Holiness and Pentecostal movements is evidence they are a continuous group and not two separate movements While their early doctrines opposed killing many named in this book are now widely considered to be stalwarts of the Religious Right or at least staunch supporters of Christian participation in war Our hope is that this book will frame the official position of early Pentecostals on war and peace and encourage Pentecostals today to reflect on their antiwar heritage

Spirit-Empowered Christianity in the 21st Century Vinson Synan, 2011-02-01 What does a re vision of the Charismatic Pentecostal Spirit empowered movement look like in the coming years of this millennium The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well If any generation ceases to accentuate this emphasis the movement likely will forfeit the right to be recognized as such When the Pentecostal message is preached published and proclaimed through triumphant song an atmosphere is sustained for people to experience anew and again the reality of salvation holiness charismata wholeness and hope Such a revival will be biblically based rationally sound traditionally accurate and experientially real *Spirit Empowered Christianity in the 21st Century* is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa OK in April 2010 These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century For example one portion covers the topic of the 21st century renewal while another discusses how we can protect our Charismatic distinctive Another portion will highlight Charismatic adaptations for reaching this present age discussing issues of social and economic justice prosperity and suffering challenges to urban ministry the future of the next generation Oneness Pentecostalism and missiological aims in North America Minister's Service Manual Samuel Ward Hutton, 2003-10 An essential tool for pastors of any denomination on how to prepare for worship services weddings funerals benedictions dedications baptisms and more **The Pastor's Handbook NIV** Moody Publishers, 2006-06-01 The Pastor s Handbook NIV is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality beauty and dignity To this end numerous changes both large and small have been made more selected Scriptures new alternatives for special occasions some significant additions and changes At the same time every effort has been made to keep the book concise and compact to maximize its usefulness The formulas should be sufficient for the ordinary needs of the minister They may be modified or supplemented by materials from

the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness who can object? May the blessing of God attend all who glean from this manual enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the worship service baptism communion funerals anointing services healing services membership installation baby and child dedication consecration services ceremonies for buildings and visitation. *Manual for Ministers* THE MINISTERIAL ASSOCIATION.,1977 *A Manual for Ministers* MANUAL.,1936 *An International Minister's Manual* James O.
