Seeing the Messiah Jonathan Kendall, 2025-07-14 Apparitions are real The evidence for their objective nature is immense and they are frequently not the transparent non physical manifestations depicted by Hollywood and popular culture Moreover some apparitions demonstrate blatantly physical characteristics to the point that they may be initially mistaken for real people Seeing the Messiah takes readers on a tour of case studies from eight well evidenced categories of apparitions that occur in nature These categories include visions of the bereaved those that linger in haunted houses figures that materialize during s ances and apparitions that represent religious icons such as the Blessed Virgin Mary What exactly are apparitions Visitations from the supernatural realm Dramas created through telepathy Dr Kendall speculates on how these strange intrusions into our reality might best be interpreted and the implications this has for the nature of reality itself Having established the characteristics of this phenomenon Dr Kendall examines claims that Menachem Mendel Schneerson i e the Lubavitcher Rebbe was raised from the dead with special scrutiny of the post mortem encounters of the Rebbe to his followers He then evaluates the historical data used to support Jesus resurrection in light of the same apparitional data Do those who see the Messiah merely experience apparitions

what was originally written What about recently publicized gospels that aren't in the Bible and much more *Powerful Reforms with Shallow Roots* Larry Cuban, Michael Usdan, 2014-04-15 Drastic reform measures are being implemented in growing numbers of urban communities as the public's patience has finally run out with perpetually nonperforming public schools This authoritative and eye opening volume examines governance changes in six cities during the 1990s where either mayoral control of schools has occurred or where noneducators have been appointed to lead school districts Featuring up close in depth case studies of Philadelphia Baltimore Chicago Boston San Diego and Seattle this book explores the reasons why these cities chose to alter their traditional school governance structures and analyzes what happened when the reforms were implemented and whether or not teachers and students performed better because of them Provides useful perspectives on the complexities of educational change that is relevant to all kinds of school systems of interest to elected officials other policymakers business leaders and educators Richard W Riley Former U S Secretary of Education A must read for policymakers intent on improving the academic performance of children in America's urban centers offers important insight and an excellent overview of the reforms being tested in the six urban centers Ted Sanders President Education Commission of the States Every urban political official indeed every governor business leader and state legislator should study the urban school reforms described in this book James B Hunt Jr Former Governor of North Carolina and Chairman James B Hunt Jr Institute for Educational Leadership and Policy A must read for educators This book clearly defines what it takes to make significant changes in urban districts Floretta McKenzie Former Superintendent District of Columbia Public Schools **The Actual Jesus** Tina Pippin, 2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and disturbing like the Jesus of the gospels The Western Christian Advocate, 1902 The Words of Jesus in the Gospel of Thomas David W. Kim, 2021-07-01 This book offers a detailed analysis of the Gospel of Thomas in its historic and literary context providing a new understanding of the genesis of the Jesus tradition Discovered in the twentieth century the non canonical Gospel of Thomas is an important early text whose origins and place in the history of Christianity continue to be subjects of debate Aiming to relocate the Thomasine community in the wider context of early Christianity this study considers the Gospel of Thomas as a bridge between the oral and literary phases of the Christian movement It will therefore be useful for Religion scholars working on Biblical studies Coptic codices gnosticism and early Christianity **Jesus' Resurrection and Apparitions** Jake O'Connell, 2016-11-03 Did Jesus rise physically from the dead or did he rise as a real non bodily apparition like those reported in the parapsychological

literature In this book which is the first book length examination of the question in over fifty years Jake O Connell argues in favor of the physical resurrection hypothesis In order to do so he employs Bayes Theorem a mathematical theorem which encapsulates the way humans think when they analyze the probability of a hypothesis In addition he provides a thorough overview of the evidence for the reality of apparitions of the dead Moving Forward After Messing Up Dr. Chris Rappazini,2024-05-07 Is something from your past impacting your future No one wakes up and says I think I ll make a mess of my life But many people find themselves in places that feel beyond repair If you ve made decisions that have left you and others hurt that have brought you to a place that feels dark or desperate you re not alone Professor and pastor Chris Rappazini looks to real life biblical characters who ve made messes of their lives and shows how God delights in forgiveness and redemption Do you need God to do something that feels impossible Freedom from an addiction or the haunting consequences of bad choices A second chance at marriage family or a career Maybe you love someone whose devastating path of poor decisions is inflicting heartache upon heartache Through sharing the personal journey he s been on with his brother who is in the process of moving forward after messing up Rappazini uncovers the true heart of the Father and the dramatic ends He goes to bring restoration What happens when we honestly face our mess and seek God Can beauty love or hope follow Failure and regret can create humility and deepen our character Those who seem permanently wrecked can experience joy freedom and a newfound dream In Moving Forward After Messing Up Rappazini takes us beyond despair to biblically based forgiveness and a faithful future **The Spectator** ,1917 A weekly review of politics literature theology and art Baptist Commonwealth ,1900 The Morning Star and Free Baptist ,1907 Who's who Among Students in American Universities and Colleges ,2000 *The Scots Observer* ,1890 **The Standard** ,1916 *The Congregationalist* ,1924 Subject Guide to Books in Print ,1971 **Forthcoming Books** Rose Arny,2001-06
