Eli's Story Meri-Jane Rochelson, 2018-08-06 Biography of a Jewish doctor who survived and triumphed over the horrors of the Holocaust Eli's Story A Twentieth Century Jewish Life is first and foremost a biography Its subject is Eli G Rochelson MD 1907 1984 author Meri Jane Rochelson's father At its core is Eli's story in his own words taken from an interview he did with his son Burt Rochelson in the mid 1970s The book tells the story of a man whose life and memory spanned two world wars several migrations an educational odyssey the massive upheaval of the Holocaust and finally a frustrating yet ultimately successful effort to restore his professional credentials and identity as well as reestablish family life Eli's Story contains a mostly chronological narration that embeds the story in the context of further research It begins with Eli's earliest memories of childhood in Kovno and ends with his death his legacy and the author's own unanswered questions that are as much a part of Eli's story as his own words The narrative is illuminated and expanded through Eli's personal archive of papers letters and photographs as well as research in institutional archives libraries and personal interviews Rochelson covers Eli's family's relocation to southern Russia his education military service and first marriage after he returned to Kovno his and his family's experiences in the Dachau Stutthof and Auschwitz concentration camps including the deaths of his wife and child his postwar experience in the Landsberg Displaced Persons DP camp and his immigration to the United States where he determinedly restored his medical credentials and started a new family Rochelson recognizes that both the effort of reconstructing events and the reality of having personal accounts that confirm and also differ from each other in detail make the process of gap filling itself a kind of fiction an attempt to shape the incompleteness that is inherent to the story In the epilogue the author reminds readers that the stories of lives don't have clear chronologies They go off in many directions and in some ways they never end An earlier reviewer said of the book Eli's Story combines the care of a scholar with the care of a daughter Both scholars and general readers interested in Holocaust narratives will be moved by this monograph

Desert Gothic Don Waters, 2007-09-01 This powerful debut collection set in the light filled deserts of Nevada and Arizona introduces a darkly inventive new voice Like an early Richard Ford Don Waters writes with skill empathy and an edgy wit of worlds not often celebrated in contemporary literature Set in bars mortuaries nursing homes truck stops and the poverty motels that encircled downtown's casino corridor Waters's ten stories are full of misfit transients like Julian a crematorium worker who decorates abandoned urns to create a lush underground island and the instant Mormon missionary Eli a hapless divorcé who always likes people better when they're a little broken

DePasquale,2007-06-15 Beginning with the premise that Canada is engaged in the era of treaty implementation Natives and Settlers discounts the myth of a postcolonial Canada Informed by a colonial past that remains refracted in the current understanding and treatment of Native peoples this collection reinterprets treaty making rights title and land claims from Aboriginal perspectives In the spirit of ongoing dialogue essays by Sharon Venne Patricia Seed Harold Cardinal Frank Tough and Erin McGregor bring new insights to the interpretations of signed treaties and pre contact treaty making processes examine land claims still under negotiation and demonstrate the vitality of Aboriginal laws and paradigms in a country new to decolonization and nation building We Are the Light Matthew Quick,2023-11-07 Lucas Goodgame lives in Majestic Pennsylvania a quaint suburb that has been torn apart by a recent tragedy Everyone in Majestic sees Lucas as a hero everyone that is except Lucas himself Insisting that his deceased wife Darcy visits him every night in the form of an angel Lucas spends his time writing letters to his former Jungian analyst Karl It is only when Eli an eighteen year old young man whom the community has ostracized begins camping out in Lucas's backyard that an unlikely alliance takes shape and the two embark on a journey to heal their neighbors and most importantly themselves Next Decade in Information Technology ,1984 Major Poems of the Hebrew Bible Jan Fokkelman,2018-07-17 Volume II of Major Poems of the Hebrew Bible deals with 85 Psalms 83 poems and the poems in Job 4 14 and aims at presenting an integrated prosodical theory which is able to bypass the highly controversial question of metrics There are two approaches which initially are kept apart on grounds of method structural analysis and the counting of the original i e pre Masoretic syllables Each poem receives a compact description of structure which gives a reasoned delimitation of cola verses and strophes In a separate operation the syllable counts for each word colon verse strophe stanza section and poem are recorded in a comprehensive Appendix All the poems under discussion show a precise integer as the average of syllables per colon For half of them this is 8 00 the others

have either 7 00 or 9 00 The 9 00 is a ceiling there is no Psalm with a higher average Combining the two approaches the author shows that the poets themselves did count their syllables and how they were able to mesh the syllable figures with the structural units of their compositions in a virtuoso combination The greatest challenge of this enterprise is to delimit and objectify the correct colometry for all the songs as the figure of syllables per colon depends on the right amount of cola There are only about 30 Psalms which have a cola figure that can be considered beyond doubt Fortunately in the Book of Job the correct number of cola is certain for most chapters Here we meet the number 8 again as a normative figure Till Death Do Us Part Kate Lansing,2023-03-07 When a wedding turns into a crime scene young vintner Parker Valentine investigates the full bodied problem in this captivating Colorado set cozy mystery It s June in Boulder Colorado and wedding season is in full swing Parker Valentine is excited to attend the wedding of her cousin Emma where in addition to celebrating the happy couple she ll also be providing wine for the reception But when the fussy wedding planner is found dead midway through the ceremony Parker knows that to get the weekend back on track she ll need to unveil a murderer Unfortunately there s no shortage of high tension and hot tempers during a wedding so Parker has a long list of potential suspects Even worse her entire family has fixated on the state of Parker s relationship with her boyfriend Reid If Parker can manage to impress her relatives with her wine skills and dodge unwanted pointed personal questions solving a murder will be the icing on the cake
