Prior to Gribben's work, much of Twain's reading history was assumed lost, but through dogged searching, Gribben was able to source much of Twain's library. *Mark Twain's Literary Resources* is a much-expanded examination of Twain's library and readings. Volume I included Gribben's reflections on the work involved in cataloging Twain's reading and analysis of Twain's influences and opinions. This volume, long awaited, is an in-depth and comprehensive accounting of Twain's literary history. Each work read or owned by Twain is listed along with information pertaining to editions, locations, and more. Gribben also includes scholarly annotations that explain the significance of many works, making this volume of *Mark Twain's Literary Resources* one of the most important additions to our understanding of America's greatest author. **Public Libraries**, 1894 *Annual Report of the Department of the Interior* United States. Department of the Interior, 1899 **The Construction of Testimony** Erin McGlothlin, Brad Prager, Markus Zisselsberger, 2020-04-21 Scholars and students of film studies and Holocaust studies will value this close analysis. **Principles, Practices, and Creative Tensions in Progressive Higher Education** Katherine Jelly, Alan Mandell, 2017-03-23 In this multi-faceted case study of one progressive institution of adult higher education, the editors and contributors to the volume lay out significant challenges confronting not just non-traditional post-secondary colleges and universities but all institutions of higher education in today's rapidly changing context. Contending that nontraditional institutions are especially challenged in these turbulent times, they argue that these organizations' distinctive academic programs are among the most threatened in the landscape of higher education today. The 19 essays that make up this volume highlight and examine key creative tensions, rich interplays of emphases and values in

higher education in order to illuminate and address more intentionally the questions that we must address Can we make constructive use of these tensions Can we recognize what is at stake And can we chart a course that will both respond innovatively to rapid change and sustain a vision and the purposes and principles on which that vision rests Taken as a whole this volume sheds light on the questions and creative tensions that can with thoughtful attention help to keep an alternative progressive vision of adult higher education alive
