Emily S Bondage:

Emily's Submission Dante X, 2021-07-14 Anybody looking from the outside would think that Emily had the perfect life living in beautiful five bedroomed cottage overlooking the common and married to high ranking government official But because of her boredom and sexless marriage she even contemplated suicide But then she meets Quinn a drug dealer who had recently lost his apartment and was sleeping on a bench opposite her cottage on the common From that moment on her life becomes much more interesting when he introduces her to molly and his sexual perversions After agreeing to become his submissive sex slave he blindfolds her and ties her to the bed in his new apartment and her training really begins But because she starts to enjoy the daily meetings and sexual ecstasy he introduces her to his clients dogging sex clubs and more But when she is sent for a weeks sub training with a dominatrix at a house in London she recognizes her husband as one of the clients Being hooded and tied up with a group of other girls he was unaware of her presence Things get very serious when she escapes and demands a divorce and then the killing starts Lots of erotic action including dogging molly sex clubs a touch of BDSM with an interesting story line and surprise ending not usually found in most erotica books Strictly 18 Adults Only 28 000 Words

The Glamorous Life of Emily's Failure David J. Lythberg, 2009-07-22 Race God Two forces that have oppressed David's life from the beginning As he grows they follow him bearing down upon his neck like a yoke But someone else follows him as well There is an appointed time for them to meet Race God Growing up biracial is hard for David being the son of an overbearing black mother and a passive white father They've pulled him from an all black world into an all white one But someone is there also There is an appointed time for them to meet Race God David eventually learns to throw the shackles of both away to lash out against anything racial or religious He changes Grows angrier hates more Still that someone is there watching Waiting Emily But Emily couldn't wait any longer Her love for David couldn't be contained until that appointed time She takes matters into her own hands and makes her presence known In an attempt to win his love she dons his clothes and engages in his interests But sadly her plan backfires and everything turns disastrous and she is left damaged and alone Race God Emily Years pass Time shifts When they do meet it is a meeting like no other The rapture they feel for one another surpasses the drudgedness of their station For David life couldn't be imagined without her and at such a time as this she is taken away from him Is it a sacrifice or some unfortunate circumstance She leaves someone in her stead to continue with him where she left off Someone who cares just as much as she had Someone who loved him from the beginning just as she had God It is only then that David realizes who Emily really was and how much he'd failed to understand
