

Employee Benefit Statement

Helping Your Employees Understand & Appreciate Benefits

Why Benefit Statements?

Providing your employees with a benefit statement will increase your employees' awareness of the value of their employee benefits package.

Employee benefit statements can help you in several other ways:

- Attract new employees – benefit statements plainly show the “extras” that your company provides and are a powerful, competitive advantage for your company.
- Improve employee morale—custom employee benefit statements communicate and show in a tangible way that you value your staff.
- Retain current staff – cut down on recruitment, administrative and training costs!
- As an additional benefit – most employees feel that a benefit statement is a “value-added” benefit in themselves.

Access to Benefits Statements

Your employees will be able to conveniently access, view and print their benefit statements online. No need to print or distribute statements manually, saving time, money and the environment! Benefit statements are updated each pay period and are available free of charge through our You've Got Paid™ Solution.
