Dreams and Visions in the World of

Islam Elizabeth Sirriyeh, 2015-01-28 People in Western societies have long been interested in their dreams and what they mean. However, few non-Muslims in the West are likely to seek interpretation of those dreams to help them make life-changing decisions. In the Islamic world, the situation is quite different. Dreaming and the import of visions are here of enormous significance to the degree that many Muslims believe that in their dreams they are receiving divine guidance for example on whether or not to accept a marriage proposal or a new job opportunity. In her authoritative new book, Elizabeth Sirriyeh offers the first concerted history of the rise of dream interpretation in Islamic culture from medieval times to the present. Central to the book is the figure of the Prophet Muhammad, seen to represent for Muslims the perfect dreamer, visionary, and interpreter of dreams. Less benignly, dreams have been exploited in the propaganda of Islamic militants in Afghanistan and in apocalyptic visions relating to the 9/11 attacks. This timely volume gives an important, fascinating, and overlooked subject the exploration it has long deserved. Kenneth M. Heck, 2009-10 **UNLOCKING THE DREAM**

VISION R.J. von-Bruening, 2018-10-31 Unlocking the Dream Vision: The secret history of creation will take you on a profound journey into the mysterious, mystical, esoteric symbolism of the largely forgotten Dream Vision that is buried deep within the ancient Book of Enoch. It is a unique and captivating journey that reveals one of the most heretical, blasphemous, and controversial accounts of creation ever told for both believer and skeptic. Within its pages, you will learn of the ancient system of mystical symbolism and initiation that was born in the religious temples that ruled the city-states of the first civilizations. You will also be introduced to the radical 2,000-year-old theory from the legendary Library of Alexandria that the true story of our own mysterious origins lies within the system of allegories and mystical symbolism of the mythologies and sacred writings of the ancient world. A system that was first created by the professional class of writers known as the scribes in order to conceal and protect the forbidden knowledge of the gods and the secret history of creation itself. By using this non-traditional approach, you will discover how the highly symbolic Dream Vision, written by the righteous scribe and mysterious lost prophet of the Bible, Enoch, is the key to unlocking this ancient system of mystical symbolism and the secret history of humanity. It is the same secret that is still hidden within the symbolism of the mysterious esoteric brotherhoods, secret societies, and hidden orders of the world. It is through this exceptional system of mystical symbolism created by the ancient scribes that the origin and true meaning to all the mystical symbols like the pentagram, the all-seeing eye, and the unfinished pyramid are revealed. You will also learn the answers to some of the greatest mysteries concerning the biblical story. For you will find that the mystical symbolism of the Dream Vision contains the secrets of the Watchers, the Giants, the great Flood of Noah, and so many more mysteries which are uncovered for the first time. Not only are the hidden secrets of the Bible uncovered through the mystical symbolism, but it will also reveal the greatest secrets of mythology and the ancient world. You will understand the secret meaning to the ever-famous symbol of the Bull, the Twin Brothers of legend, and even the monsters of myth like the terrible Hydra. You will even learn the real reason why the Great Pyramid was built, the real secret of the

Pleiades cluster the lost city of Atlantis and the other mysterious lost civilizations of the Ice Age moreover with the conclusive evidence of the terrible cataclysm that befell them all You will also be presented with an entirely new theory on the identity and true origins of the mysterious figures our ancient ancestors worshiped as the gods without invoking ancient aliens or endless religious speculation **Dreams, Visions, and Signs from the Holy Spirit Volume 1** Annamarie
