**TV Guide: TV on DVD 2006** TV Guide, 2005-10 From the foremost authority on TV viewing comes a complete guide to television shows on DVD      **Doctor Who-Guide 3/3** Compiled from Wikipedia pages and published by Dr Googleberg,

*Science Fiction Television Series* Mark Phillips, Frank Garcia, 2014-05-12 Whether rocketing to other worlds or galloping through time science fiction television has often featured the best of the medium The genre's broad appeal allows youngsters to enjoy fantastic premises and far out stories while offering adults a sublime way to view the human experience in a dramatic perspective From *Alien Nation* to *World of Giants* this reference work provides comprehensive episode guides and cast and production credits for 62 science fiction series that were aired from 1959 through 1989 For each episode a brief synopsis is given along with the writer and director of the show and the guest cast Using extensive research and interviews with writers directors actors stuntmen and many of the show's creators an essay about each of the shows is also provided covering such issues as its genesis and its network and syndication histories      **Prime Time Network Serials** Bruce B.

Morris, 2024-10-23 On September 15 1964 ABC launched a programming experiment a prime time series similar to the daytime soap operas that were so successful *Peyton Place* became a fixture on the network's schedule for the next five years The success of *Dallas* in the early 1980s made the prime time soap opera a staple of television programming From *Bare Essence* through *The Yellow Rose* this reference work details the successes and failures of 37 prime time serials through 1993 For each show a lengthy history covers the character development and provides production details and season by season data provide start and end of the season time slot comprehensive cast and credits and an episode guide      **TV Guide**

, 2006      **Variety and Daily Variety Television Reviews, 1993-1994** Prouty, 1996-10 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors* Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play's debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficultly accessible journals newspapers and other sources This collection brings together these essays for the first time      **The Classic British Telefantasy Guide** Paul Cornell, Martin Day, Keith Topping, 2015-07-30

*The Classic British Telefantasy Guide* is derived from the second edition of *The Guinness Book of Classic British TV* with various corrections and a revised introduction to bring it up to date It was written when the Internet barely existed and at a time when few books had been published on the subject This is however by no means a new or completely revised version of the original material too much time has passed and if we were to start reworking and correcting the text now it would

probably never be finished Instead Classic British Telefantasy is an electronic reprint of some of the authors earliest work repacked for a new format and perhaps a new age      The Magic Window Jim Von Schilling,2013-10-28 This fascinating book tells the story of how television became popular in the United States following the medium s debut at the 1939 New York World s Fair You ll learn about the people events and performances that were televisedor influenced what was being televisedfrom 1939 to 1953 In addition to the entertainment and cultural aspects of this newborn medium it also explores the business politics and technology of early television      *Laser Video Guide* ,1996 The complete laser disc catalog movies music and special interest including karaoke and animation      Music in Star Trek Jessica Getman,Brooke McCorkle Okazaki,Evan Ware,2022-12-30 The tensions between utopian dreams and dystopian anxieties permeate science fiction as a genre and nowhere is this tension more evident than in Star Trek This book breaks new ground by exploring music and sound within the Star Trek franchise across decades and media offering the first sustained look at the role of music in shaping this influential series The chapters in this edited collection consider how the aural visual and narrative components of Star Trek combine as it constructs and deconstructs the utopian and dystopian shedding new light on the series political cultural and aesthetic impact Considering how the music of Star Trek defines and interprets religion ideology artificial intelligence and more while also considering fan interactions with the show s audio this book will be of interest to students and scholars of music media studies science fiction and popular culture      **TV Geek** Simon Brew,2018-10-04 TV Geek recounts the fascinating stories of cult classic series reveals the nerdy Easter eggs hidden in TV show sets and demonstrates the awe inspiring power of fandom which has even been known to raise TV series from the dead Subjects include How the live action Star Wars TV show fell apart The logistics and history of the crossover episode The underrated geeky TV shows of the 1980s The hidden details of Game of Thrones Five Scandinavian crime thrillers that became binge hits The Walking Dead and the power of fandom TV series now have the same budgets stars audience figures and cultural impact as Hollywood movies and TV Geek provides an insightful look at the fascinating history facts and anecdotes behind the greatest and not so great shows This is the ultimate nerdy television guide for TV geeks everywhere      **Encyclopedia of Television Film Directors** Jerry Roberts,2009-06-05 From live productions of the 1950s like Requiem for a Heavyweight to big budget mini series like Band of Brothers long form television programs have been helmed by some of the most creative and accomplished names in directing Encyclopedia of Television Film Directors brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists

Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium

**Music in Science Fiction Television** Kevin J. Donnelly, Philip Hayward, 2013 The music for science fiction television programs like music for science fiction films is often highly distinctive introducing cutting edge electronic music and soundscapes There is a highly particular role for sound and music in science fiction because it regularly has to expand the vistas and imagination of the shows and plays a crucial role in setting up the time and place Notable for its adoption of electronic instruments and integration of music and effects science fiction programs explore sonic capabilities offered through the evolution of sound technology and design which has allowed for the precise control and creation of unique and otherworldly sounds This collection of essays analyzes the style and context of music and sound design in Science Fiction television It provides a wide range of in depth analyses of seminal live action series such as Doctor Who The Twilight Zone and Lost as well as animated series such as The Jetsons With thirteen essays from prominent contributors in the field of music and screen media this anthology will appeal to students of Music and Media as well as fans of science fiction television
