Soul-Making Christina Becker, 2025-06-17 The phrase soul making comes from the poet John Keats who struggled with
the world s random and meaningless suffering and believed that tragedies were the crucible in which the soul is forged and
refined In Soul Making A Journey of Resilience and Spiritual Rediscovery Christina Becker shares how her own tragedy from
a series of events between 2009-2011 broke her leading to her dependency on alcohol It could have been seen as
meaningless but was transformed into soul Part memoir and part self help book this is the deeply personal story of one
woman s soul making journey framed around the ideas of Carl Gustav Jung and spiritual practices Readers are invited to
think about their own lives in a new way to be curious about the deeper threads that run through their existence and to
embark on their own soul making journey This Jungian Analyst demonstrates how redemption is found through self
knowledge the expansion of consciousness and most importantly through the cultivation of the heart
