Fear City Repairman Jack 3:

Fear City F. Paul Wilson, 2014-11-11 Rage terror and redemption these are the stones upon which F Paul Wilson builds the concluding chapter of Repairman Jack The Early Years the prequel trilogy focusing on the formative years of Wilson s globally popular supernatural troubleshooter The strands of Jack s life established in the first two books Cold City and Dark City are now woven into a complete pattern Centered around an obscure group of malcontents intent on creating a terrible explosion in New York City in 1993 Fear City shows the final stages of young Jack becoming Repairman Jack It is a dark and terrible story full of plots and needless mayhem with secret agents a freelance torturer a secret society as old as human history love death and a very bleak triumph Jack threads his way through this intricate maze as people he loves are stripped away from him in a way that presages the later epic series of novels At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Void Protocol F. Paul Wilson, 2024-08-06 The New York Times bestselling author concludes his supernatural thriller trilogy as powerful cosmic entities reveal their terrifying agenda Something sits in a bunker lab buried fifty feet below the grounds of Lake Hurst Naval Air Station The product of experimental technology confiscated from the Germans after World War II it occupies a chamber of steel reinforced ballistic glass Despite intensive study for nearly three quarters of a century no one knows what it is But illegal human research reveals what it can do Humans with special abilities have been secretly collected abilities that can only have come from whatever occupies the underground bunker in Lakehurst And so it sits sequestered on the edge of the New Jersey Pine Barrens slowly changing the world

The God Gene F. Paul Wilson, 2018-01-02 A genetic discovery unearths a devastating secret in the New York Times bestselling author s medical thriller worthy of Michael Crichton Publishers Weekly When Rick Hayden s brother Keith disappears he turns to medical examiner Laura Fanning to help find him An NYU zoologist Keith had been researching the so called God Gene that played a key role in human evolution specifically in the development of brain power and creativity But after an exciting discovery in East Africa Keith destroyed his results and vanished Rick and Laura s search takes them to an uncharted island in the Mozambique Channel where they come up against a world shattering secret and powerful enemies who have their own devious plans for it In The God Gene F Paul Wilson continues his mind bending ICE trilogy that began with Panacea

The Menace of Prosperity Daniel Wortel-London,2025-09-24 Upends entrenched thinking about cities demonstrating how urban economies are defined or constrained by the fiscal imagination of policymakers activists and residents Many local policymakers make decisions based on a deep seated belief what s good for the rich is good for cities Convinced that local finances depend on attracting wealthy firms and residents municipal governments lavish public subsidies on their behalf Whatever form this strategy takes tax exempt apartments corporate incentives debt financed mega projects its rationale remains consistent and assumed to be true But this wasn t always the case Between the 1870s and the 1970s a wide range of activists citizens and intellectuals in New York City connected local fiscal crises to the greed and waste of the rich These figures saw other routes to development possibilities rooted in alternate ideas about what was fiscally viable In *The Menace of Prosperity* Daniel Wortel London argues that urban economics and politics are shaped by what he terms the fiscal imagination of policymakers activists advocates and other figures His survey of New York City during a period of explosive growth shows how residents went beyond the limits of redistributive liberalism to imagine how their communities could become economically viable without the largesse of the wealthy Their strategies which included cooperatives public housing land value taxation public utilities and more centered the needs and capabilities of ordinary residents as the basis for local economies that were both prosperous and just Overturning stale axioms about economic policy *The Menace of Prosperity* shows that not all growth is productive for cities Wortel London s ambitious history demonstrates the range of options we ve abandoned and hints at the economic frameworks we could still realize and the more democratic cities that might result
