You see this book is all about male chastity in other words self control. The question is how exactly can this male chastity thing help you and your partner's sex life. You are probably confused and you don't have to worry for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now but could possibly save your sex life. You will learn what the male chastity subject is all about the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first the idea of locking your partner's male organ in a device seems strange to you. But overtime you will find that your partner sees this thing in an altogether new perspective something that is attractive and quite exciting for him. To some forceful prevention of erection and orgasm may definitely seem odd but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these thinking that the whole male chastity thing is not for you. However in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light.
