Happy Birthday To My Aunt In Heaven:

Heaven's Hero: A True Story Abbie Guerrero, 2015-04 In the initial impact most of the helicopter's instruments and weight which had been overhead came loose and shifted to the right side of the helicopter. When the Augusta K2 hit the ground the second time everything on that side the transmission the two jet engines and the main rotor head shifted away from me and over to where Craig and Mario were seated. Everything on the right side of the helicopter was crushed from the impact and weight. Even though I was badly hurt and couldn't move I had missed being crushed. Abbie Guerrero was born in Santa Maria, California and is the oldest of four kids. She loves to write, travel, spend time with her family and watch sports. She started writing poems in 2006 and published her first book in 2015.

Heaven's Gate Martin Shaw, 2021-09-28 Ethan Sterling has been through many trials in his life including losing his father when he was just six years old. After he joins the marines at age seventeen, Ethan quickly excels, wins medals for bravery, marries and is commanding ten soldiers in Afghanistan by the time he is twenty-three. But when a road accident instigated by guilt sends him to heaven's gate, everything changes for Ethan. After he is offered a choice to either fight an army that is being sent by hell to invade heaven and humankind or enter heaven and be at peace with his family, Ethan faces a monumental dilemma. If he accepts the difficult task and wins, he will return to Earth to reunite with his wife, son and the life he left behind. With help from a small army from heaven that includes Noah, disciples James and John, his deceased father and others, Ethan takes a risk and embarks down an uncertain path that he hopes will not only change his own fate but also that of his family and mankind. In this fantasy novel, an American soldier killed in a road accident arrives at heaven's gate where he must face an agonizing choice with the power to transform the future.

Held in Heaven's Arms Karen J. Common, 2010 Taking a fishing trip to the Canadian wilderness was something Dick, his brother Mickey and Dick's twenty-four-year-old son James eagerly anticipated each year. But on September 17, 2005, their trip would take them on a different journey, one that would forever change their lives and the lives of their family anxiously awaiting their return home. Held in Heaven's Arms tells the true story of tragic loss through the eyes of Karen Common, wife of Dick and mother of James, as she explores the mystery that surrounded the happenings in that remote area of Canada. Karen's response to the death of her husband and only son proves that faith can be renewed when we choose to lean on the Lord. Her tragic story of loss, brokenness and peace will capture your heart and leave you yearning to be forever Held in Heaven's Arms. Bad things do happen to good people, but good people with faith and belief in God will recover, endure and achieve understanding. Karen gently and lovingly tells us how. Blitzed Sarah Minton, 2013-03 When I was twenty-one years old, a boy ripped my heart out. For the first time in my life, I felt my heart break. I felt it actually break. So I wrote. I wrote because it was the only thing I knew how to do. I wrote because I didn't have to wear a pretend smile or exude a tough exterior in my words. Sometimes in life, the things that seem to be the worst possible thing that could possibly happen in reality are the best. Sometimes our hearts have to break.

before we can begin to really learn the lessons life has for us Join Sarah on her journey as she learns to understand why God broke her heart For Sarah heartbreak becomes more about what God is trying to tell her and less about the actual act Experience her feelings real true and Blitzed **Thena** Tuana Dowan,2012-07-05 THENAFight for the Future is an inspirational self improvement and spiritual development story of Tuana Dowan herself of the people who had positive and negative impacts in her life and of Thena who introduced herself as Tuanas higher self in her dreams Thena informed her of who Tuana was the reincarnation principle and the past lives her pre birth plans her good and bad karma that she carried into her present life and the negative intrusions in her current life She also told Tuana that she was a Lightworker alongside a few thousand others incarnated in this period with a mission to spread light in the form of knowledge freedom and love on Earth and that she would play a very important role in the enlightenment of many people Tuana met Thena several times in the following years besides acting as a guide in Tuanas self improvement and spiritual development process Thena gave her some information from the future and all her prophecies materialized in time Under the illuminating guidance of Thena and the positive people she met along the way Tuana improved her self esteem and courage released her ego and built up her patience She set up goals in the light of her mission and pursued them no matter what she encountered She changed her career and became a trainer and a consultant in the field of soft skills development Learning to go out of her comfort zones and routines allowed Tuana to become a person with inner peace mindfulness and altruistic love THENAFight for the Future encourages readers to reach for the hero within and find the courage to create a happier healthier and more successful life <http://www.youtube.com/watch?v=yMPbrNqlls> **Just as You Are** Camille Kellogg,2023-04-25 Equal parts witty and steamy this debut rom com is filled with fun People and brings a healthy dose of queerness to a Pride and Prejudice inspired enemies to lovers romance Brims with heart spice and humor Ashley Herring Blake author of Delilah Green Doesn't Care The L Word but better TJ Alexander author of Chef's Kiss A juicy sapphic romp sweet sexy and tender in all the right ways Gabrielle Korn author of Everybody Else Is Perfect A LIBRARY JOURNAL BEST BOOK OF THE YEAR The only thing worse than hating your boss Being attracted to her Liz Baker and her three roommates work at the Nether Fields a queer magazine in New York that's on the verge of shutting down until it's bought at the last minute by two wealthy lesbians Liz knows she's lucky to still have a paycheck but it's hard to feel grateful with minority investor Daria Fitzgerald slashing budgets cancelling bagel Fridays and password protecting the color printer to prevent frivolous use When Liz overhears Daria scoffing at her listicles she knows that it's only a matter of time before her impulsive mouth gets herself fired But as Liz and Daria wind up having to spend more and more time together Liz starts to see a softer side to Daria she's funny thoughtful and likes the way Liz's gender presentation varies between butch and femme Despite the evidence that Liz can't trust her it's hard to keep hating Daria and even harder to resist the chemistry between them This page turning sexy and delightfully funny rom com celebrates queer culture chosen family and falling in love against your better judgment **Let Me Tell You a Story** Renata
