

Dell™ Latitude™ D630c System Board

Configuring Your Dell Latitude D630c Computer

After you install a new system board, you must configure the system board with the appropriate management module for your computer. Follow these instructions carefully. Remember that your computer is configured for the correct management module.

NOTE: You must enter the correct management module information, your computer may malfunction, and the management module may have to be reinstalled.

- 1 Locate the label that is attached to the back of the battery. See the picture of the battery on "Replacing the Battery" on page 14 of this Guide.

The label on the battery has information on one of the following:
