thought of nothing but the heavenly surprise of seeing the girl he loved Recognition brought a shock of joy and a wave of love which had been held in check for a time by the weight of misfortune as the waters of a stormy river in flood are held back by the shut gates of a lock He had known that he loved her too well for peace of mind more passionately and purely than he had thought it was in him to love But until he saw her face looking up as if at him yet unconscious of his gaze the dear charming face he had longed for through all his miseries scarcely dreaming ever to see her again he had not realised how utterly precious it was how entirely indispensable in his life A wild impulse rushed over him to call her name Lesley Lesley and spring from behind the curtain as if they two were alone together in a world of their own But after the first luminous instant the joy of her presence was blotted out in darkness He remembered everything remembered that he was Perceval Gordon an actor of the submerged tenth a wretched penniless barn stormer who for the moment came near to being an object of charity When he had bidden Lesley goodbye he was a splendid being who looked down from his heights and though loving her saw her impossible as a wife Their friendship had begun by being somewhat of a condescension on his part from his own point of view at least and she half amused half angry had seen that point of view quite clearly nor had she ever attempted to change it to the last At the thought that the curtain would ring up and show him as he was now to the astonished eyes of Lesley Dearmer he could have run away out of the theatre anywhere it mattered
