The Lost Dream Mansel G. Blackford, 1993 Mansel Blackford's *The Lost Dream* explores the history of city planning in five Pacific Coast cities Seattle Portland Oakland San Francisco and Los Angeles during the Progressive Era Although city planning had diverse roots Blackford shows that much of the early planning originated with businessmen who viewed it as a way to shape their urban environments both economically and socially During the opening years of the twentieth century the business and political leaders in each of these cities began developing comprehensive city plans encompassing harbor improvements new street and transportation facilities civic centers and parks and boulevards As Blackford shows businessmen worked through both established political channels and newly formed bodies outside of those channels to become leaders in the planning process As the planning campaigns evolved businessmen found themselves both joined and opposed by ever changing coalitions of professionals politicians and workers The way that businessmen had previously interacted with these other parties greatly affected their success in obtaining their goals but ultimately Blackford claims politics lay at the heart of planning The proposed plans were accepted or rejected in heated citywide elections in which to be successful businessmen had to convince others to vote with them a feat they achieved in only one city Nevertheless these plans were often later adopted in some piecemeal fashion and Blackford concludes his study with an analysis of the legacy of Progressive Era city planning for later periods *The Lost Dream* makes significant contributions to our understanding of city planning in America and particularly in the American West

Lost Dream La Wu, 2020-01-08 Although it was still quiet in the hall all the ministers and officials knew full well that this was not an illusion First Princess Nanliang had gone missing then Princess Ling Yu had died The Fang Noble Consort from Southern Frontier had been forced into the cold palace then hearing that the Emperor had personally brought her out of the cold palace he had told her to return to the Southern Frontier to visit her parents and demean them both These ministers who had been officials for many years were extremely shrewd smelling a political storm

The Lost Dream Steve Simmons, 2011-09-20 Mike Jefferson started out as a suburban kid who dreamed of making it to the NHL with parents determined to do anything and everything to make their son's dream come true So how did this promising young man's hockey career turn into a harrowing crime story played out in sensational news reports Coach and agent David Frost fast tracked Jefferson's route to the NHL but at a staggering cost Along the way the affable young man turned against his parents changed his name to Danton and descended into a spiral of paranoia and violence that finally cut short the career he had sacrificed everything for when he was arrested for conspiracy to commit murder In this fast paced and gripping story veteran hockey journalist Steve Simmons digs beneath

the surface to answer questions that have left Canadians shocked and fascinated How did Frost get such a grip on Danton and his family How did Frost work himself into such a position of trust in the world of minor hockey What exactly was Danton's relationship with Frost And who was it that Danton hired a hitman to kill his father or his agent Full of the insights from one of Canada's most trusted hockey columnists who is intimately familiar with both minor hockey and the big leagues The Lost Dream is the story of the dark side of our fascination with a game Canadians love **The Lost Dream of Don Quixote** Janet Rigg, 2014-07-01 When the Cuban revolutionary Jos Mart awakens from death in the afterlife he finds himself high in the Sierra Maestra and is swiftly led by forces to the Hacienda of the spirits There he finds the ghosts of his fellow revolutionary comrades of Cuba's bid for independence As time continues the spirit of Jos Mart finds the attic of the house in which the souls have been drawn The apparitions of books swiftly manifest upon empty bookshelves lining the attic walls Immediately observing the novel Don Quixote de la Mancha he begins to read his unrivalled favorite literature aloud His fellow veterans also discover the library and as Jos Mart continues he summons the spirit of Don Quixote returned from the dead to an afterlife as a worldly ghost When the owners of the hacienda appear to the spirits for the first time they become aware that their presence is felt by the couple Soon Lina gives birth to a son Instantly a special bond forms between Don Quixote and the newborn The veterans are equally enamored with the new child Fidel Alejandro Castro Don Quixote serves as a kind of alter ego for the young Castro often seeing the events of his childhood and pre revolution society through the prism of the rites of chivalry In The Lost Dream of Don Quixote Rigg weaves historical fact with magical fiction into a story of how Fidel Castro drew from his subconscious spiritual guides which inspired his rise into becoming Cuba's revolutionary leader and laying the foundations for a new modern chivalric society **The City of the Lost Dream , Love's labor's lost.
