Reflections of American War Orphans of World War II

Collected by
Susan Johnson Hadler
and Ann Bennett Mix

Edited by
Calvin L. Christman

What an absorbing book. I'm struck by the thought that the cost of victory is never fully paid, that the gods of war keep demanding further tribute. All the participants in the Second World War, whether as winners or losers, will continue to pay well into the 21st century. I think this is especially true of those who were born during the war in which their fathers lost their lives. [The authors] have done a good and lasting thing, bringing together some of America's war orphans.

Lost In The Victory Reflections Of American War:

Lost in the Victory Susan Johnson Hadler, Ann Bennett Mix, 1998 In 1990 Ann Mix began a search to find out about her father who had been killed in World War II She eventually met others whose fathers had been killed and discovered that like her they had little information about their fathers As a result Ann founded the American WWII Orphans Network to locate war orphans and become a depository for sources of information about WWII servicemen who were fathers *War and Literature: Looking Back on 20th Century Armed Conflicts* Tom Burns, Elcio Cornelsen, Volker Jaeckel, Luiz Gustavo Vieira, 2014-06-01 This comprehensive volume analyzes the radical change in the nature of armed conflicts and in the way they are narrated and represented Ever since the First World War has changed war itself rendering meaningless the very vocabulary of war in terms such as battle front non combatant open city and hero new words new approaches new theories and new texts had to be invented The enemy became invisible Submarines tanks mines gas long range artillery and airplanes made this war different from all the other that came before A hundred years after the beginning of this terrible war it is now time to recall different representations of the armed conflicts of the 20th century The articles in this collection analyze representations of the Canudos Civil War in Brazil the First World War the Second World War the Korean War the Vietnam War the colonial wars in Africa and the war in Afghanistan aiming to understand how war and the telling of war have changed during the most murderous hundred years in the history of mankind **American World War II Orphans Network**, 2005-03 *The Forgotten Generation* Lisa L. Ossian, 2011-05-23 Explores the effect of the challenges of World War II on American children and teenagers *The Red Rebel of San Giovanni* T. Giles Campbell, 2023-01-30 From a battered old trunk in the basement to the crumpled scrapbook in the bookcase to an aging envelope in an unused jewelry box they marched to the pages of this book to join the chorus to remember Telegrams letters taped interviews and voices from decades ago joined in to provide a chilling description of World War II Red was a Red Cross lady her brother lost in the confusion of war Some were courageous soldiers others became prominent heroes The author weaves common lives and historic events into an emotional explanation of what war was like for everyday Americans By Colonel Ronald Losee US Marines Ret Retired Marine Colonel Ron Losee is a graduate of the University of Illinois School of Journalism His 31 year career took him to the Far East from Korea to South Vietnam and many places in between Later as a Marine Reservist when on vacation found him as a newspaper city editor I thoroughly enjoyed reading this book This is a story about typical American families and their neighborhood friends during WWII It brings a different perspective of not only the war front but stateside life during the war By Colonel Tony Baggiano USAF Ret He served 20 years in the United States Air Force and his last Air Force assignment was the Commander of the San Antonio Data Services He was awarded numerous medals which included Vietnam Service Medal with four bronze stars The best way to teach history is to tell a story and that's what this book does This is not your normal war book as it tells a story about friends and neighbors fighting in WWII and their families
