every night and eventually raise a family together The last thing Riley needs is to be in a committed relationship with a man who wants to ground her Perhaps the most damning thing of all is that they love each other passionately There s simply no happy medium that could make this thing work *Foolish Games* Karen Wiesner,2014 Book Three Family Heirloom Healing She was one of his late wife s best friends He s the man she s loved from afar for as long as she can remember Falling in love could take simply letting go of their fears or a miracle Peter Samuels had lost his beloved wife Lydia to a brain tumor just one year earlier His grief continues to overwhelm him especially now that he s the sole caretaker of their growing children and he s alone once more in the world without a partner Kimberly Wolfe has always loved her boss Peter but she s loved him from afar For years she d endured Lydia s misguided attempts to fix her up with one Christian man after another She d envied Peter and Lydia s love for one another and most recently she d consoled him in his grief over the loss of his wife and her close friend But for as long as she can remember her domineering father has used the Bible to justify his God given place as head of the household destroying Kimberly s mother and her own ability to trust men A committed Christian she struggles to forgive her father when he refuses to repent and see the wrong he s done An innocent kiss on New Year s leads to a growing awareness between Peter and Kimberly Peter wonders if there can be love again after such devastation Kimberly wrestles with her fears borne of the past Can Peter ever see her as more than an employee and a shoulder to lean on Can he accept her as a Christian woman who s nowhere near content to live out her life without the love of a man and a family of her own

Worlds Collide Karen Wiesner,2014 Book Six Family Heirloom Persevering in adversity Dr Marcus Samuels is a medical missionary in Japan and his life has been God s work despite a severe anxiety disorder associated with being far from home After twelve years of watching his happily married siblings and their children he can no longer deny the chronic ache inside him and knows he should start his own family life back in the States though he has serious doubts about his wife hunting abilities at the age of forty Spurred into motion by his mother s sudden illness he s caught off guard when he realizes just how much he ll miss Keiko Oichi and her brother Haruki fellow pediatricians at the Children s Christian Mission Hospital The two have not only been his lifeline while in a foreign distant place but have also become family to him Keiko and Haruki grew up in the United States as foreign exchange students It was through their host family that she and her older sibling became Christians Her conversion to Christ as well as getting to know Marcus have radically altered her emotionally detached acceptance of her traditional Japanese future When Marcus says he s leaving Japan for good she feels lost at the prospect of living without her closest friend Only with Marcus can she be the woman she truly is inside if she can shed the cocoon of lifelong familial tradition and impossible expectations and be free Knowing Keiko has been betrothed since she was a child Marcus had trained himself not to see her as a potential mate But learning of her unhappiness and fear of being unequally yoked to an immoral man she can never love opens his eyes to possibilities he hasn t allowed himself to consider Who better to fall in love with than your very best friend When Keiko s parents learn of her conversion and feelings for a Christian man

the couple faces a crossroads in love and faith that will change both of their lives irrevocably *Until It's Gone* Karen Wiesner, 2013-10-27 You don't know what you've got until it's gone Mitch has been playing a dangerous game The lines between black and white good and evil saint and sinner are all blurred Just when he thinks the stakes can't get any higher in steps the only woman who could ever hurt him and the only one who can heal him In the space of a skipped heartbeat he can't imagine having more to gain and more to lose **Cohesive Story Building** Karen Wiesner, 2015-11-12 Without layering a story is one dimensional unbelievable boring Layers mean stronger characters settings plots suspense intrigue emotions and motivation Layering also produces cohesion of all elements Characters must blend naturally with the setting the writer has placed them just as plot becomes an organic part of character and setting If a story doesn't work it could very well be because the elements aren't cohesive Cohesive Story Building shows how each element hinges on the other two and how to mix them until they fuse irrevocably Additionally Cohesive Story Building carefully explores each stage of story development from brainstorming and outlining to drafting and revision From a thorough look at the fundamentals of writing to comprehensive story building techniques as well as submission guidelines and etiquette this must have guide will see writers through the entire book writing process from start to finish Set within the framework of comparing the process of building a house to the process of building a story Cohesive Story Building gives a solid plan of action from start to finish through in depth examples and exercises and leave no stone unturned checklists that will help writers take the plan into their own writing Features detailed examples from published books to illustrate story building principles Those who have read Karen S Wiesner's reference First Draft Outline which focuses on in depth outlining and goal setting will find Cohesive Story Building a perfect companion to that book
