World Order) Elijah Muhammad, 2009-07 This book delves into the two positions perplexing the Black nation in America as a result of chattel slavery One is the desire to stay with their former slave masters and seek civil rights despite being subjected to genocide through multi forms of integration The other is written by Messenger Elijah Muhammad We believe the offer of integration is hypocritical and is made by those who are trying to deceived the black people into believing that their 400 year old open enemy of freedom justice and equality are all of a sudden their friends Furthermore we believe that such deception is intended to prevent black people from realizing that their time in history has arrived for the separation from the whites of this nation If the white people are truthful about their profess friendship toward the so called Negro they can prove it by dividing up America with their slaves **Reggae Love Love in Africa Three White Women, One Black Man PART ONE**
