Love, the Criminal John Burland Harris-Burland, 1908

Loving Sheryll Cashin, 2017-06-06 A powerful look at Loving v Virginia the landmark case of interracial love and marriage that changed American history and inspired the 2016 film **White supremacy** has long foiled love and love has long foiled white supremacy Sheryll Cashin offers us this essential historical revelation and urges us to renew our old fight for the human right to love Ibram X Kendi author of **Stamped from the Beginning** When Mildred and Richard Loving wed in 1958 they were ripped from their shared bed and taken to court Their crime miscegenation punished by exile from their home state of Virginia The resulting landmark decision of **Loving v Virginia** ended bans on interracial marriage and remains a signature case the first to use the words white supremacy to describe such racism Drawing from the earliest chapters in US history legal scholar Sheryll Cashin reveals the enduring legacy of America s original sin tracing how we transformed from a country without an entrenched construction of race to a nation where one drop of nonwhite blood merited exclusion from full citizenship In vivid detail she illustrates how the idea of whiteness was created by the planter class of yesterday and is reinforced by today s power hungry dog whistlers to divide struggling whites and people of color ensuring plutocracy and undermining the common good Not just a hopeful treatise on the future of race relations in America **Loving** challenges the notion that trickle down progressive politics is our only hope for a more inclusive society Accessible and sharp Cashin reanimates the possibility of a future where interracial understanding serves as a

catalyst of a social revolution ending not in artificial color blindness but in a culture where acceptance and difference are celebrated

The Loves of Clitophon and Leucippe Achilles Tatius, 1923

Love, Sex, Gender, and Superheroes Jeffrey A. Brown, 2021-11-19

Impossibly muscular men and voluptuous women parade around in revealing skintight outfits and their romantic and sexual entanglements are a key part of the ongoing drama. Such is the state of superhero comics and movies, a genre that has become one of our leading mythologies conveying influential messages about gender, sexuality, and relationships. *Love, Sex, Gender, and Superheroes* examines a full range of superhero media from comics to films to television to merchandising. With a keen eye for the genre's complex and internally contradictory mythology, comics scholar Jeffrey A. Brown considers its mixed messages. Superhero comics may reinforce sex roles with their litany of phallic musclemen and slinky femme fatales, but they also blur gender binaries with their emphasis on transformation and body swaps. Similarly, while most heroes have heterosexual love interests, the genre prioritizes homosocial bonding and it both celebrates and condemns gendered and sexualized violence. With examples spanning from the Golden Ages of DC and Marvel comics up to recent works like the TV series *The Boys*, this study provides a comprehensive look at how superhero media shapes our perceptions of love, sex, and gender.

Why Religion? Towards a Critical Philosophy of Law, Peace, and God Dawid Bunikowski, Alberto Puppo, 2020-02-11

This book examines the relation between religion and jurisprudence. God and peace, respectively. It argues that in order to elucidate the possible role religion can play in the contemporary world, it is useful to analyse religion by associating it with other concepts. Why peace? Because peace is probably the greatest promise made by religions and the greatest concern in the contemporary world. Why jurisprudence? Because, quoting Kelsen's famous book *Peace through Law*, peace is usually understood as something achievable by international legal instruments. But what if we replace *Peace through Law* with *Peace through Religion*? Does law, as an

instrument for achieving peace incorporate a religious dimension Is law ultimately a religious and normative construction oriented to peace to the protection of humanity in order to keep humans from the violence of nature Is the hope for peace rational or just a question of faith Is religion itself a question of faith or a rational choice Is the relatively recent legal concept of responsibility to protect a secular expression of the oldest duty of humankind The book follows the structure of interdisciplinary research in which the international legal scholar the moral philosopher the philosopher of religion the theologian and the political scientist contribute to the construction of the necessary bridges Moreover it gives voice to different monotheistic traditions and more importantly it analyses religion in the various dimensions in which it determines the authors cultures as a set of rituals as a source of moral norms as a universal project for peace and as a political discourse

Love in Contemporary Cinema Benjamín de la Pava Vélez, 2021-07-18 This book looks at social representations of romantic love as portrayed in films and interpreted by their audiences using cinema as a means for analysing the state of romantic love today and the touchpoints and disconnects between its representation on screen and the lived experiences of film audiences Through a media sociology lens the book draws on analysis of five contemporary romantic films and the meanings brought to and made from them by socially and economically diverse audiences Employing both textual analysis and primary interviews the book contests overly pessimistic perspectives on modern intimacy while acknowledging and exploring some of the challenges woes and changes that romantic love is experiencing in late capitalism Concerns and debates over monogamy the teleology romantic love and the division of labour in relationships percolate in this book s examination of how audiences responses to these films reflect their attitudes and expectations regarding romantic love This book will have great resonance for scholars and students of not just film studies and media studies but also audience studies media sociology philosophy gender and sexuality
